TO: The Honorable Members of the Merced County Board of Supervisors

FROM: Larry T. Combs, County Executive Officer (CEO)

RE: Fiscal Year (FY) 2011-2012 Proposed Budget

In accordance with Merced County Ordinance 1679, I respectfully present for your consideration the FY 2011-2012 Proposed Budget. As in past few years a lingering economic slowdown is causing considerable Federal, State and local financial hardships. The Proposed Budget reflects a number of very difficult recommendations that will require you to make extraordinarily difficult decisions.

The County of Merced is currently addressing a $20 million shortfall from FY 2010/11 to FY 2011/12. This shortfall is nothing new to the community or the Board as actions were taken by this Board on February 15, 2011 to address these pending finding problems. As with prior budget proposals my office and departments have worked to provide thoughtful and balanced reductions in the approach to addressing the $20 million shortfall.

To date the county has seen a reduction in general purpose revenues to address net county cost from a high in FY 2008/09 of $128.5 million to an estimated $84.5 million in the FY 2011/12 Proposed Budget. Through these years of decline the Board has taken great care to support the core functions of the county with an emphasis on sparing public safety related reductions. The previous decisions taken by the Board have created ongoing savings that assist in ongoing deficit reduction.

As a part of the CEO's presentation, at Final Budget 2010/11, a three year projection of the county's estimated expenses was shared with the Board and the public. The presentation outlined three years of continued deficit with the possibility of establishing a sustainable budget in the fourth year. The FY 2011/12 Proposed Budget provides the next step in working to achieving the goal of an ongoing sustainable budget.

The State's fiscal outlook and budgetary challenges affect Merced County and other local governments throughout the state. The unemployment rate in Merced County is 19.5%, as of May 20, 2011. The legislature and the Governor have yet to resolve the state's budget. The options, to solve the state's budget problem, appear to be a shift of state responsibilities to counties with less than adequate funding to implement local solutions or, as the governor has termed it, an "all cuts budget". As with the prior years the budget negotiations at the state level will be fluid and likely detrimental to the funding for county's requirement to provide services on behalf of the state.

The Proposed FY 2011/12 Budget is $324.3 million expenditure plan prepared to reflect, and maintain within the limited resources available, the services our residents expect and the commitments the Board of Supervisors has made.

Of the proposed $324.3 million expenditure plan, approximately $84.5 million is General Fund dollars of which a significant portion of which is required to match state and federal mandated programs.

This document will provide you with a brief summary of the entire FY 2011/12 Proposed Budget. In this respect, it is broken up into three fundamental areas for ease of reference:

- Local Economic Issues
- Local Policy Issues
- State Budget and Possible Impacts

I would like to address, and thank, each respective department for their efforts to identify cuts for in this extremely complex and difficult task. In closing, this Proposed Budget being advanced to you is both fiscally conservative and prudent. My staff and I will be prepared to answer any questions you may have.

Local Economic Issues

As we have endured over the past three budget years, local revenue issues persist for Merced County. In the host of challenges that the county faces are high unemployment, low wages, and a property tax base that has not yet settled. As a consequence of these factors, we are seeing our revenue streams continue to be stagnant or even decline. In the FY 2011/12 Proposed Budget property tax revenue, sales tax revenues, State and Federal revenues have all trended downward which applies a great deal of pressure upon the County to make incredibly difficult choices. We will continue to monitor current revenue conditions and update our estimates during the Final Budget Hearings.

Local Policy Issues

As local government has no greater responsibility than to protect its residents and their property from harm, this Proposed Budget attempts to best protect the Board's commitment to public safety, while being mindful of the limited resources available.

As part of the Proposed Budget, the Sheriff has submitted a budget proposal to use a Community Oriented Policing Services Grant (COPS) to hire back up to five Deputy Sheriff/Coroners that are in jeopardy of reduction in force.

The Sheriff has also submitted a proposal to close the Main Jail Facility to meet departmental targets. This proposal would include the reduction of thirty three (33) positions. Inmates would be transferred from the Main Jail facility to the John Latorraca Facility and the Main Jail would be held vacant until a decision is made about its future.

As part of the Proposed Budget the District Attorney is expected to have a significant reduction in investigation related services. As a result of not being able to complete investigations, the department will instead have to refer such cases to other law enforcement agencies that may not have the capability to conduct such investigations. Consequently, there is a distinct possibility some of these types of crimes may not be investigated. In an attempt to re-evaluate and reprioritize caseloads, the department may be forced to forego prosecution of some misdemeanors. Additionally due to the potential loss of resources the department may have to forgo drug court,

Prop 36 appearances and other special program calendars.

Based on the staffing reduction in the Proposed Budget, operation of the Public Defender's Office in Los Banos would no longer be possible. The loss of this office would not allow the Public Defender to represent clients in the Los Banos Court.

In order to meet the CEO's recommended 20% reductions in net county cost for the Library, the FY2011/12 Proposed Budget recommends an average reduction of five hour per branch and a reduction of work hours for variable shift employees. This will allow the Library to retain services to the community and maintain current staffing levels.

Additionally, the Proposed Budget recommends the closure of the Winton Branch library due to anticipated rental cost increases. It is anticipated that the bookmobile will supplement services in the Winton area once it becomes operational.

In Probation, as part of the Proposed Budget, five (5) field services positions are proposed for elimination. Elimination of the Deputy Probation Officers will result in reduced services to adult and juvenile offenders and their families and elimination of the probation assistants will result in the loss of valuable services they provide to the Placement and Juvenile/Adult Intake Units.

In the Proposed Budget, 15 of the 120 Juvenile Hall beds are proposed for closure; seven (7) beds are those reserved for detention (those minors detained pending court) and eight (8) beds are for minors committed to the Bear Creek Academy camp program. Closure of detention beds will limit the ability of law enforcement agencies to book juvenile felony offenders and/or will result in the release of other juvenile felony offenders. Closure of camp beds will limit the ability of the Court to place minors adjudicated for felony offenses in the rehabilitative commitment program.

The Department of Public Works – Parks Division has submitted a budget that includes the reduction in force of two staff. The impacts of this reduction would be the following: mowing of facility grounds would go from once a week to once every three or four weeks, Lake Yosemite staff would absorb other park duties leaving the Lake Yosemite facility unattended at times, tree trimming would be on an emergency basis and delays in repairs or maintenance to park equipment.

The Director of Public Works is presenting a departmental reorganization. In the proposal DPW-Professional Services will be deleted and the respective positions in this division transferred to Roads and Administration. The reorganization will place the employees in those divisions for which they actually performed services.

The County Clerk has submitted, as part of budget proposals, the request to discontinue the provision of Passport Acceptance Agency services. This is an elective program the department provides to supplement services provided by other local agencies. Due to the cost and current fiscal constraints the department requests the Board take action to approve the discontinuation of this service by the County Clerk.

State Budget and Possible Impacts

Governor Brown identified an initial State Budget shortfall of $26.6 billion. In the May Revise the Governor outlined an amended shortfall of $10.8 billion with $20.1 billion in solutions already enacted or related to higher revenues.

Governor Brown's budget proposals strongly advocate for maintenance of the current level of Sales and Use Tax and Vehicle License Fee (VLF) and the dependent exemption credit for an additional five years. The Governor also proposes reinstating the personal income tax surcharge in January 2012 for four years.

At this time it appears that many factors are in play as part of the State Budget. One element that appears to be moving forward is the realignment of certain criminal justice programs to the local level as outlined in AB 109 (Chapter 15, Statutes of 2011). As part of this realignment the state would shift certain low level offenders to the local level. Further, the local jurisdictions would become responsible for the supervision of non-serious, non-violent parolees, and the state would not return parolees to state prison for violation of parole. Instead these parolees would remain the responsibility of the local jurisdiction. The governor has added to his signing of this law direction that it not be implemented without funding. It is assumed that as part of a state budget funding for this program will be identified and local implementation will follow. Based on estimates received from the California State Association of Government (CSAC) realignment working group, Merced County will likely receive an estimated $3.2 million for the first year of the program. The CSAC realignment working group has recommended that for the second year and beyond a new distribution formula be created with further input from a larger delegation of county representative.

Proposed Budget Adoption

These recommendations and this Budget Letter are submitted to your Board for your consideration and action. Upon your approval, this document will constitute the Proposed Budget for FY 2011/12.

Approval of these recommendations as the Proposed Budget by your Board will:

- Authorize continuation of normal operating expenditures by County departments pursuant to mandates or existing levels of locally determined services until such time as a Final Budget is adopted.

- Authorize the Proposed Budget for FY 2011/12 to be made available to the public as an appropriate source of information regarding budgetary actions recommended for consideration during Final Budget Hearings.

Sincerely,

Larry T. Combs
County Executive Officer

BUDGET OVERVIEW

Merced County Budget Overview

The annual budget is prepared, reviewed, and approved in accordance with The Budget Act (California Government Code Sections 29000 through 30200). Over the past few years, Merced County's fiscal situation has been a challenge of trying to provide more services with less money. During this period, the Board of Supervisors maintained local public safety as a priority.

In the Final FY 2010/11 budget, revenue reductions from reduced property taxes, decreased sales taxes related to economic troubles and the State's budget cuts have impacted the County's financial capabilities. While in previous fiscal years actions such as holding positions vacant, adhering to a modified hiring freeze, and decreased expenditures have helped obtain a higher fund balance to assist in mitigating the State Budget impacts. For Fiscal Year 2011/12departments have been asked reduce net county cost by 20%, and work with the CEO's office to identify those programs that could be eliminated or reduced to bring appropriations in line with the funds available to maintain countywide services.

Budget Summary

Fund Summary

The total FY 2011/12 Proposed Budget is $400.2 million, down $64.2 million from the FY 2010/11 Final Budget of $464.4 million. The $324.3 million, or 81.0%, of the $400.2 million is funded from dedicated revenue sources not available for discretionary purposes. The remaining $84.2 million, or 19.0%, requires funding from local discretionary revenue. The FY 2011/12 General Purpose Revenue (GPR) requirements of $84.5 million are down $15.5 million from $99.0 million in the FY 2010/11 Final Budget. With GPR Requirements at $84.5 million and Local Resources projected at $84.5 million, the FY 2011/12 Proposed Budget is balanced.

	FY 2010/11 Final		**FY 2010/11 Proposed**

* The FY 2011/12 Budget includes cost allocation revenue as a Local Resource instead of distribution to central service departments as a dedicated department revenue as reflected in some prior years budgets.

Local Resources

FY 2011/12 Total Local Resources are projected at $84.5 million with General Purpose Revenue at $62.5 million and Estimated General Fund Balance Available, after adjustments to encumbrances at $22.0 million. The FY 2011/12 GPR estimate of $62.5 million is down $0.6 million from the Approved FY 2010/11 estimate of $63.1 million. The following table provides a comparison of the Estimated Local Resources:

Fines, Forfeitures, Penalties, License, & Permits reflect an increase as a result of collections in the property tax loss reserve.

COUNTY PROFILE AND DISTRICT MAP

Profile

Form of Government

Merced County Seat was established April 19, 1855. It is a general law county and a political subdivision of the State of California. The County must operate within the provision of the California State law.

Board of Supervisors

Merced County is governed by a five member Board of Supervisors (BOS). Each member is elected from the district in which he or she resides. The five districts are determined on the basis of population, as required by State law. The Board members serve a four year term. The chairman is elected annually to preside over the Board meetings and exercise leadership for the Board.

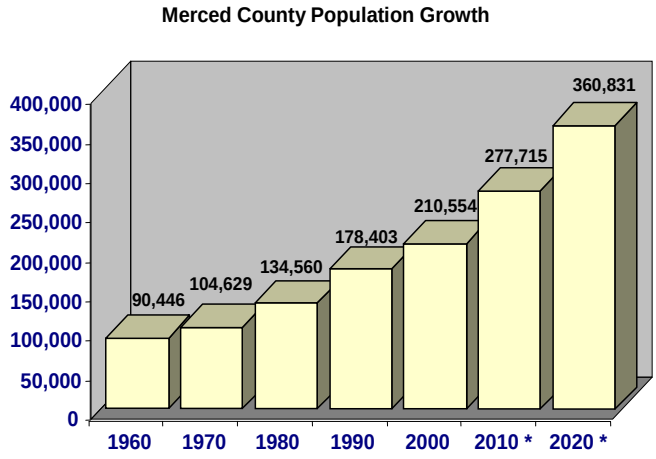
District	*Supervisor*	*Year Term Expires*
One	John Pedrozo	2012
Two	Hubert "Hub" Walsh Jr.	2012
Three	Linn Davis	2014
Four	Deidre F. Kelsey	2012
Five	Jerry O'Banion	2014

Administration and Management

The BOS is the governing body for the County of Merced. The general powers of the BOS are outlined in Government Code 25200. The County Executive Officer is appointed by the BOS and is exclusively responsible to the BOS for the general administration of Merced County. The County has twenty-four departments responsible for all county operations. There are five elected senior executives: Assessor-Recorder, Auditor-Controller, District Attorney-Public Administrator, Sheriff-Coroner, and Treasurer-Tax Collector-Clerk. The remaining senior executives are appointed by the County Executive Officer and must be confirmed by the BOS.

General Information

Merced County is located in the heart of California's Central Valley, the agricultural hub of the state. The County's abundant flat land and nearby sources of water support the local agricultural economy. The County geography spans from the coastal ranges to the foothills of the Sierra Nevada, and occupies approximately 1,935 square miles. Merced County has a culturally diverse population and is the home to the University of California Merced (UC). The UC's 10th campus was opened in the fall of 2005 and incorporates state-of-the-art technologies and vast potential for scientific, environmental, and medical advancements.



The 2000 Census showed Merced County population at 210,554. As of July, 2008 the U.S. Census Bureau estimates the population for Merced County at 246,117, a 16.9% increase since the 2000 census. The chart depicts the population growth for Merced County over the last 50 years, with a projection from the California Department of Finance for the years 2010 to 2020.

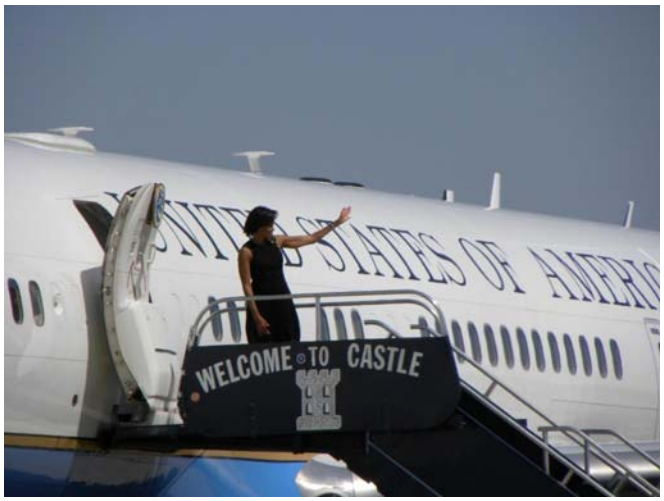
County Updates



The County continues to make positive progress at the former Castle Air Force Base. The County assumed control of the former military base after a Joint Powers Authority responsible for the facility was dissolved in 2000, and ownership of the property was transferred from the U.S. Air Force in December of 2006.

Castle is one of the first airports in the nation to receive its Commercial Airport Operating Certificate, also known as a Part 139 Certificate from the Federal Aviation Administration (FAA) since 2004, and is positioned to offer commercial passenger service.

Representatives from the County have been involved with California officials and community members on a plan for a high-speed rail system. The high speed rail project will provide connections between Northern California and the Bay Area communities to Southern California. With the San Joaquin Valley being the back-bone of the high speed system, the potential economic, environmental and health benefits to the Valley would be significant. In the initial planning process Merced County has been discussed as a potential location for a maintenance hub for the high speed system. In November 2008, California voters approved $9.95 billion dollars in bonds to begin laying track for the high speed rail system once the planning stages are completed.

BOARD OF SUPERVISORS

BUDGET UNIT 10000

The Board of Supervisors is the governing body for the County of Merced, and consists of five members elected from five county districts. The general powers of the Board are outlined in Government Code 25200 and include the power to divide and create districts within the county, call elections, equalize and levy taxes, discharge municipal functions, set salaries of county officers and employees, adopt ordinances governing the county, approve and negotiate contracts, provide community recreation, and correct deeds of real property. The Board holds regular meetings on scheduled Tuesdays. Board meetings include reviewing issues presented by the Planning Department and the Planning Commission. The Board may also meet to conduct Administrative Practices Meetings for the review of complex issues.

Individual Board members serve on various committees, councils, and associations. Among these are the County Supervisors Association of California, National Association of Counties, San Joaquin Valley Supervisors Association, Emergency Medical Care Committee, Library Advisory Commission, Merced County Retirement Board, Merced County Association of Governments, Mental Health Advisory Board, Area Agency on Aging, Local Agency Formation Council, Workforce Investment Board, San Joaquin Valley Unified Air Pollution Control District Board, and the San Joaquin Valley Water Coalition.

EXECUTIVE'S COMMENT

Technology has played a key role in the Board's Operations. An Automated Board Meeting Packet on a CD, provides file integrity and enhances document retrieval, and allows departments to review and electronically sign off on Board Agenda Items; For 2011, AB 1921-Political Reform Act of 1974, Merced County participated in a pilot program for e-filing Statements of Economic Interests (Form 700s), and also implemented an automated Board, Committees and Commissions (BCC) Program. Based on Board direction for FY 2007/08 and FY 2008/09, appropriation has been anticipated for Community Specific Plans, and future infrastructure expansion.

REVENUE

This category is increased based on the implementation of a processing fee for the application for a changed assessment.

AUDITOR-CONTROLLER

BUDGET UNIT 11000

The Office of Auditor was created by the State Legislature under Article II of the State Constitution (Government Code Sections 24000 through 24009). The duties of this office are defined in Government Code Sections 26900 through 26923. The Board of Supervisors with Resolution No. 64-83 added the function of Controller to the Auditor and the authority and duties are defined in Government Code Sections 26881 through 26883. The Auditor was incorporated with the Recorder in 1875 and recombined in 1955. In January 1995 the Auditor assumed the functions of County Clerk, Registrar of Voters, and Elections. On August 19th, the Board of Supervisors approved reorganizing the Recorder, Elections, Registrar of Voters, and County Clerk functions from the Auditor/Controller's Office to other departments. This change in title and management oversight became effective January 5, 2009

The chief accounting officer of the County prescribes and exercises general supervision over accounting forms and methods of keeping accounts of all officers, departments and institutions under Board control, and all districts whose funds are in the County Treasury. In addition to the accounts required by law, the chief accounting officer of the County maintains accounts and statistics and prepares such reports as the Board may deem necessary for its information and use in the management and control of the operation of the County, and the districts whose funds are in the County Treasury. The Auditor also settles accounts of County debtors, disburses funds, examines Treasurer's books, sets tax rates, and allocates ad valorem property taxes and prepares reports as requested by Board. The Controller's duties include auditing the accounts and records under the control of the Board, preparing reports for the Board upon request and controlling audits of independent special districts. In addition, the Auditor-Controller is responsible for disbursing payroll and claims, issuing warrants for all county funds, special districts, County schools, and school districts and colleges; maintaining tax rolls, calculating tax rates, and apportioning tax collections to taxing agencies such as the County, cities, schools, and special districts. The Auditor-Controller also prepares the countywide cost allocation plan, and state mandated cost reports, and is responsible for the preparation and filing of numerous state and federal claims and filings. The Auditor-Controller implemented Governmental Accounting Standards Board Statement (GASB) 34-38 which established new requirements for the financial statement reporting for state and local governments effective FY 2002/03.

REVENUE

Countywide Revenue is decreased overall based on a reduction in Interest associated with operating cash flow; Cost Allocation is adjusted based on current data, and Property Taxes – Current Secured.

REVENUE AND REIMBURSEMENT

BUDGET UNIT 11100

Revenue and Reimbursement is a division of the Treasurer – Tax Collector's Office and was established by a minute order of the Board of Supervisors in 1973 to collect and control County accounts receivable.

The Collection Unit operates to effect collection on delinquent County accounts receivable to include the following types: Agriculture Department, Human Services Agency Overpayments, Library, Probation, Public Defender Fees, Public Works, Mental Health, Risk Management, Superior Courts; and by special arrangement, the Tax Collector's Department delinquent Unsecured Property Tax. In addition, the division collects housing loans, business loans, dairy loan program payments, and non-sufficient fund payments.

EXECUTIVE'S COMMENT

Columbia Ultimate Business Systems (CUBS), the automated collections system installed at the end of FY 1991/92, has increased collections substantially, reducing operating costs as a percentage of collections and providing a mechanism to accommodate accounts receivable needs in County departments. During FY 1997/98 this system was upgraded and converted from a stand alone system to a personal computer-based system to operate on the County's Wide Area Network. Programming to meet the department's custom reports and programming requirements through the CUBS automated collection system have continued through FY 2010/11 to meet the department's changing needs.

In FY 1993/94 Revenue and Reimbursement began collecting failure-to-appear fines and civil assessments for Municipal Court. In FY 1999/00, Revenue and Reimbursement began collecting victim restitution and court-ordered fines and fees for Adult and Juvenile Probation. Effective May 18, 2000 the Superior Court transferred the collection of current and deferred traffic cases to Revenue and Reimbursement. In FY 2000/01 Revenue and Reimbursement began collecting for Family Law cases and delinquent overpayments of Welfare benefits and Foster Care for Human Services Agency. Revenue and Reimbursement became the collections arm for the Superior Court of Merced County effective June 2004 when the Court transferred all the deferred payments, felony/misdemeanor cases, and a portion of the failure to appear traffic citations.

In FY 2009/10 Revenue and Reimbursement developed an interactive website and implemented an IVR / Internet payment system to provide debtors more payment options and the ability to make payments 24/7.

In Fiscal Year 2011/12, it is anticipated that reductions in staffing will slow overall collections activity, with the largest impact to the Courts. The workload may be spread to remaining staff, and the addition of an automated dialing system is expected to increase the efficiency of collections, thereby partially mitigating the loss of staff.

REVENUE

For Fiscal Year 2011/12, this category was decreased due to reductions in State Courts contracts.

ASSESSOR

BUDGET UNIT 11200

The Assessor's primary responsibility is to value taxable property. The Assessor locates all taxable property in Merced County, identifies the owners and describes the property. Values for all taxable property are determined and all legal exemptions and exclusions are applied. The Assessor prepares an annual assessment roll showing all taxable real and personal property, except public utilities, in Merced County as of January 1. Preparation of the roll is in accordance with the California Constitution and the State Revenue and Taxation Code. The annual roll reflects all allowable exemptions and reappraisals due to new construction and changes of ownership. The Assessor oversees maintenance of the mapping service, administers an audit program so that all audits required by the State of California are completed, and provides appraisals and appraisal data to LAFCO, the Planning Department, and other county departments as needed. Taxpayers and the public are permitted access to assessment roll information as allowed by law

In July 2000, the Board of Supervisors approved the implementation of the "California Land Conservation Act" (Williamson Act), a program designed to provide an incentive for farmers and ranchers to remain in agriculture. The Act authorizes a city or county, by contract with the landowner, to limit the use of land to agricultural use or as an agricultural preserve in exchange for reduced property taxes.

Senate Bill 1062, effective January 1, 2004 and the revised Revenue and Taxation Code Section 670 regarding veteran's organization/welfare property tax exemptions created a change in responsibility from the State Board of Equalization to the Assessor for the *sole determination* concerning the property qualification in the administration of annual exemptions. The duties include administration of the church, religious, welfare, homeowner and veteran exemptions, reviewing all claims for the various exemptions, notifying claimants of ineligible property, and conducting audits and verifications of the organizations' books, records, financial statements and operations. More than 250 applications are filed and reviewed each year.

On January 1, 2008, the County annexed approximately 4,000 acres from Fresno County. Williamson Act Contracts, Mandatory Audits, Exemptions, New Construction and Multiple Business property assessments were added to Merced County.

Current market valuation, or Prop 8 valuation, is a major area of concern for the upcoming year. For fiscal year 2010-2011, in addition to valuations of properties due to change of ownership or new construction, in excess of 60,000 property assessments were reviewed and approximately 43,000 were reduced. As the market continues to deteriorate, the number of Prop 8 valuations continues to increase. It is estimated that approximately 50,000 residential properties will need to be reviewed to make a reasonable determination that enrolled assessed value is in accordance with current laws and statutes. For the preparation of the 2011-2012 assessment roll, multi-residential, commercial and agricultural properties, in addition to the residential properties enumerated above, will require valuation reviews. These reviews are necessary to make a reasonable determination that enrolled assessed value is in accordance with current laws and statutes. Assessment appeals continue to put a strain on workload due to staffing and workload constraints.

The following six positions were previously 100% supported by the State Property Tax Administration Grant Program and have been moved into the General Fund effective FY 08/09: two (2) Auditor Appraiser I/II (Position #3, 6), two (2) Appraiser I/II (Position #7, 11), one (1) Appraiser Assistant (Position #15), and one (1) Assessment Clerk (Position #32). Board policy states that positions funded with revenue and/or grant revenue shall be deleted once the revenue or grant funding and/or restrictions of the grant ends.

On August 19th, the Board of Supervisors approved reorganizing the Recorder function moving oversight from the Auditor/Controller's Office to the Assessor's Office. This change in management oversight becomes effective January 5, 2009.

For FY2009/10 the department requests to delete two (2) Appraiser I/II/III (Position #4, 12). Extra Help and Extra Help Overtime accounts have increased due to vacant appraiser position which is not expected to be filled in FY 2009/10.

On August 18, 2009 (Final Budget) the Board of Supervisors approved the deletion of two (2) Appraiser I/II/III (Position #4, 12), one (1) Auditor/Appraiser I/II/III (Position #25), one (1) Assessment Clerk I/II (Position # 15), and one (1) filled Cadastral Drafting Technician (Position #34) due to fiscal constraints.

On August 24, 2010 (Final Budget) the Board of Supervisors approved the deletion of one (1) filled Appraiser II (Position #7), one (1) vacant Assessment Clerk II (Position #31) and one (1) vacant Assistant Title Technician (Position#35) due to fiscal constraints.

The salary and employee benefits accounts have been adjusted to reflect annual merit increases, loyalty bonuses, employee bargaining unit agreements, unrepresented management adjustments, health insurance rate adjustments, workers compensation adjustments, and retirement rate adjustments based on the actuarial study.

For FY 2011/12 Proposed Budget the County Executive Officer in coordination with the department recommends the deletion of two (2) filled Supervising Appraisers (Position #22 and 54), one (1) vacant Assessment Clerk I/II (Position # 37), and one (1) vacant Chief of Mapping and Title Services (Position #43) in order to facilitate the CEO's recommendation to reduce the departmental budget by twenty percent. The department intends to return to the Board to request to restore the deleted positions in order to meet workload demands that will increase as economy recovers.

Reduced staffing levels will impact several areas of operations within the department including valuations, appeals, and mapping/titles, as well staff training and customer service. Overall, these reductions may inhibit the department's ability to respond promptly to changes within the housing market as they occur.

SERVICES AND SUPPLIES

This category is increased overall for General Liability Insurance based on current and projected countywide claims, and for Transportation and Travel-In State Overnight. COUNTY COURT OPERATION

BUDGET UNIT 20000

The Board of Supervisors on December 23, 1997 established this budget unit to account for the County's contribution for court operations to the State as required by AB233.

In FY 1997/98 State Legislation AB 233 provided a comprehensive restructuring of the trial court funding. The legislation shifted responsibility of trial courts from the counties to the State effective January 1, 1998. AB 233 originally established a cap on counties' contribution (except for the twenty smallest counties) for trial courts at $890 million statewide, an amount equal to the actual contribution to trial courts for FY 1994/95. During FY 1998/99 AB 2788 was adopted eliminating the county contribution for court operations equal to the FY 1994/95 Maintenance of Effort (MOE) for the next eighteen smallest counties (including Merced County) and a 10% reduction in the MOE for the remaining twenty counties effective FY 1999/00. AB 233 also established the Task Force on Trial Court Employees and Court Facilities. On January 1, 2001 employees in the court were transferred from county employees to court employees based on the guidelines of SB 2140 (Trial Court Personnel Legislation). On January 15, 1991, the County of Merced in conjunction with the Courts leased five (5) modular structures, and the payment was reflected in this budget unit. At their May 13, 2003 meeting, the Board of Supervisors approved the transfer of the five (5) modular structures to the Courts. On September 29, 2002 the Governor signed SB 1732 finalizing the advancement of the trial court funding reform that provides for transferring the responsibilities of the trial court facilities to the State.

DISTRICT ATTORNEY

BUDGET UNIT 20400

The Office of the District Attorney was established by the Constitution of the State of California, Government Code Section 26500, to provide prosecution and enforcement services in adult and juvenile criminal matters. The mission of the Merced County District Attorney's Office is to seek justice by ensuring that victims' rights and the public's safety receive top priority through the fair, equal, vigorous, and efficient enforcement of the criminal laws. The District Attorney's Office works with every component of the criminal justice system and the community to protect the innocent, to convict and appropriately punish the guilty, and to protect the rights of victims and witnesses.

The general criminal division of the District Attorney's office conducts prosecutions for all public offenses, files complaints and petitions in adult and juvenile criminal matters, and assists the Grand Jury. The primary objective of the District Attorney's Office is to obtain just convictions for criminal conduct occurring in Merced County. The Victim/Witness Program provides support and advocacy services for victims of violent crimes. Through interdepartmental agreements/contracts, the District Attorney's Office provides investigation and prosecution of Welfare Fraud, Medical Assistance Program Fraud and fraudulent applications for the Housing Authority. Other specialized prosecution programs include Anti-Drug Abuse Enforcement; Insurance Fraud; Consumer Fraud; Environmental Protection; enforcement of court ordered child custody and visitation; and the vertical prosecution of career criminals, rural crimes, statutory rape, and gang violence.

The District Attorney is the Public Administrator for the County. This function is currently carried out through an interdepartmental agreement with the Human Services Agency.

EXECUTIVE COMMENT

As part of the Proposed Budget the District Attorney is expected to have a significant reduction in investigation related services. As a result of not being able to complete investigations, the department will instead have to refer such cases to other law enforcement agencies that may not have the capability to conduct such investigations. Consequently, there is a distinct possibility some of these types of crimes may not be investigated. In an attempt to re-evaluate and reprioritize caseloads, the department may be forced to forego prosecution of some misdemeanors. Additionally due to the potential loss of resources the department may have to forgo drug court, Prop 36 appearances and other special program calendars.

REVENUE

This category decreased overall with most of the reduction projected in Sate OES/OCJP Grant Funds and in Reimbursement Recovery of Costs in conjunction with a projected increase in Federal - ARRA funding.

JUSTICE AUTOMATION SYSTEM

BUDGET UNIT 20900

The goal of the Justice Automation System is to increase electronic exchange of information throughout the Merced County Criminal Justice System. This budget unit was formed in mid Fiscal Year 1993/94 as an outgrowth of the Criminal Justice System Automation Committee that was originally convened as an ad hoc group in Fiscal Year 1992/93. The purpose of this group is to seek ways to develop organizational capabilities in order to implement fully integrated records and a case tracking system for justice and public protection functions. The group consists of County department staff from courts, public protection departments, and information systems, as well as city police departments and Child Support Services.

EXECUTIVE'S COMMENT

This budget unit funds programming for more efficient communication between the justice system agencies in the County. Some projects have included electronic filing with the juvenile court facility, enhanced automation of the subpoena process, and an automated warrants system between the Sheriff and the Courts giving law enforcement fast and up-to-date warrant information and facilitating the timely clearing of outdated warrants.

Due to fiscal constraints and per the County Executive Officer's recommendation, this budget unit was unfunded.

INDIGENT DEFENSE

BUDGET UNIT 21200

Effective January 1, 1998, as a result of legislation (AB 233), the Board of Supervisors no longer has budget authority over expenditures related to Trial Court Funding. However, Indigent Defense costs are a County obligation and cannot be funded by the Courts under Trial Court Funding. This budget unit previously included appropriations related to the indigent defense costs associated with the Superior Court. In Fiscal Year 1997/98, all costs related to indigent defense were combined from Budget Unit 21400-Municipal Court Indigent Defense and Budget Unit 21200-Superior Court Indigent Defense into one budget, Budget Unit 21200-Indigent Defense. This budget unit includes appropriations for all costs related to indigent defense outside the Public Defender's budget.

EXECUTIVE'S COMMENT

In Fiscal Year 1998/99, the Board took action to place this budget unit under the authority of the County Executive Office. Staff continues to review the indigent defense process to identify possible efficiencies and savings. In the past, the Public Defender's Office petitioned the court for additional funding from the Indigent Defense budget for investigations and expert witnesses. In Fiscal Year 2000/01, after review of the Indigent Defense System, it was recommended to increase the Public Defender budget to pay directly for associated costs. This has simplified the process and provided better control of costs.

During Fiscal Year 2003/04, an alternative structure for providing indigent defense services was implemented. The new structure provides for the County to contract with one legal law firm, as opposed to contracting with twelve private attorneys, for indigent defense cases when the Public Defender's Office is not able to represent a case due to a conflict. This change has achieved efficiencies and cost saving for the County. The terms of the new indigent defense contract, as with the old contracts, does not allow for capital cases. At the time of writing this narrative language, there have been ongoing discussions with the contractor to reduce contract costs and/or adjust the contract to increase their scope of services and with a final agreement anticipated by Final Budget.

REVENUE

SHERIFF - OPERATIONS

BUDGET UNIT 22100

Government Code Section 24000 mandates the Office of Sheriff be established in each County in California. The duties and responsibilities of the office are regulated in various California codes. They are further extended when local ordinances apply. In 1993, the Board of Supervisors adopted Ordinance #1479 to consolidate the office of Coroner with Sheriff pursuant to Government Code Section 24304 and 27491. In January 2003, the Sheriff assumed the responsibility of the Court Security Division, previously the Marshal Department (Budget Unit 22000). In 2005, the Sheriff requested the Sheriff-Court Security be separate from Sheriff-Operations. Sheriff-Court Security was reassigned budget unit 22000.

The Sheriff's Department has the primary responsibility for protecting the life and property of the citizens living in the unincorporated areas of Merced County as well as providing other Law Enforcement services as needed. The Sheriff's Department is additionally charged with the responsibility to investigate all criminal activities occurring in unincorporated areas and to apprehend individuals who have violated the law.

EXECUTIVE'S COMMENT

The Sheriff's efforts to obtain grant funding have enabled an increased law enforcement presence in the unincorporated areas of the County. Methamphetamine continues to be a prevalent problem. Approximately 70% of all felony drug charges in Merced County involve the use, sale, transportation, and/or manufacture of methamphetamine. Grant funding has enabled the Sheriff to add additional positions, purchase law enforcement equipment and technology, and educate the school children and the public on the dangers of drugs within the County. In late 2003, the Sheriff entered into a collaborative agreement with the City of Merced and the Merced City Chief of Police to obtain a Federal Methamphetamine Grant administered by the city. During FY 2006/07, the following grants were awarded: Federal DEA Domestic Cannabis Grant, the Edward Byrne Memorial Justice Assistance Grant (JAG), Homeland Security/Buffer Zone, DOJ Bulletproof Vest, and the State CALMMET Grant. The pursuit of grant funding will continue into the next fiscal year.

In 2004, the Sheriff also established a partnership agreement with Merced College providing a law enforcement manager to supervise the campus's Security and Safety Division. Also in 2004, an officer was placed at the Human Services Agency (HSA) to assist in law enforcement matters that may occur in the Safety and Support Division of HSA. Both contracts will continue in 2011/12.

In 2005/2006, the north station of the Sheriff was moved from Hilmar to Delhi and named the Charles F. Bludworth Sub-Station situated at the Delhi Educational Park.

Six (6) School Resource Officers are currently supported by a combination of revenue, grant, and general fund. Four (4) of the six (6) School Resource Officers were originally grant funded by the Office of Criminal Justice Planning (OCJP) that had a one year Merced County General Fund obligation that ended June 30, 2004. The Sheriff is currently, as in the past, pursuing continued individual contracts with the schools. These school districts include Weaver, Winton, Franklin, Planada, LeGrand, Delhi, and Hilmar. During 2005/06, the Sheriff, with trust funds, sponsored six (6) Reserve Officers into the Basic POST Academy. This action will assist with future staffing issues that will occur in a highly competitive market.

In 2008/09 the department applied for and received notification in 2010/11 as an award recipient of the Community Oriented Policing Services Grant (COPS) to help bolster law enforcement services in the county. The continuous diligence of the department in seeking out non –county funds has provided services that the county would not be able to provide or sustain.

REVENUE

This category is decreased overall based on reductions in Vehicle Code Fines – Registration and State Other due to delays in State payments and projected decreases in State funding. Personnel Services and Law Enforcement Services are reduced based on a decrease in projected contract services.

On September 19, 2006, the Board of Supervisors allocated one (1) Sheriff Senior Sergeant/Sheriff Sergeant (Position #131) and two (2) Deputy Sheriff/Coroner I/II (Position #128, 130) 100% supported by California Multi-jurisdictional Methamphetamine Enforcement Team (CALMMET) funding. On January 23, 2007, one (1) Deputy Sheriff /Coroner I/II (Position #135) 100% funded by Sheriff Trust was added to assist with gang suppression. Board policy states that positions funded with revenue and/or grant revenue shall be deleted once the revenue or grant funding and/or restrictions of the grant ends.

On November 4, 2008 the department was approved to add Commander-(at will), delete two Deputy Sheriffs, positions #150 and #151 and add one (1) Deputy Sheriff/Coroner was added for Turlock Irrigation District contract. Three Deputies positions #27, #116, and #135 were shifted to General Fund supported positions due to decreases in grant funding and fiscal constraints.

On December 16, 2008 the department was approved to add one (1) Sheriff Sergeant/Sheriff Senior Sergeant for oversight of the AGSTAR team and one (1) Sheriff Community Service Technician I/II.
On August 18, 2009 (Final Budget) the Board of Supervisors approved the deletion of two (2) Sheriff Dispatcher I/II (Position # 58, 104), one (1) Commander (Position #141), one (1) Administration Supervisor (Position #120), one

(1) Account Clerk III (Position #121), one (1) Community Service Technician I/II (Position #144), and one (1) Identification Technician (Position #114). The Commander classification was changed to Commander (At-Will).

On September 29, 2009 the Commander - Operations (At-Will) Classification was changed to Commander – Operations.

On December 8, 2009 the Board of Supervisors approved the transfer of Court Security staff from BU22000 to BU22109, adding nineteen staff to this unit: one (1) Sheriff Senior Sergeant/Sheriff Sergeant, sixteen (16) Deputy Sheriff/Coroner I/II, and two (2) Correctional Officer I/II that were converted from the transfer. The transfer from budget units is effective July 1, 2010.

On April 13, 2010 the Board of Supervisors approved the addition of two (2) Sheriff Dispatcher I/II (Position # 146, 147) in order to address workload concerns.

On August 24, 2010 the Board of Supervisors approved the department's request to add one (1) Administrative Supervisor and delete one vacant (1) Sheriff Community Services Technician III (Position #124) due to workload issues. Furthermore the department requests to delete one (1) vacant Commander – Operations (Position #7) and to delete two (2) vacant Deputy Sheriff/Coroner (Position #16, 129) and one (1) vacant Sheriff Senior Sergeant/Sergeant (Position #8) due to budgetary constraints. One (1) Identification Technician I/II was added to support new AFIS software and is a limited position based on continuing revenue stream.

Due to administrative oversight one (1) Detective Clerical Assistant position listed and should have been previously deleted and two (2) Deputy Sheriff/Coroner positions are underfilled by the Correctional Officer I/II and incorrectly counted in each category. One (1) Sergeant/Sergeant (Position #143) that was transferred from BU 22000 was inadvertently restored during the transfer and has since been corrected.

On January 4, 2011 one (1) Sheriff Senior Sergeant/Sheriff Sergeant (Position #155) was added and one (1) vacant Deputy Sheriff/Coroner (Position #73) was deleted per contract request from Merced Junior College.

POLICY IMPLICATION

In FY 2008/09 the Sheriff applied for a Community Oriented Policing Services Grant (COPS) to help bolster law enforcement services in the county. Notification was received in FY 2010/11that the department was approved as a recipient of the grant. The grant can be used in two formats, as either a new hire grant which hires five new officers or a rehire grant which brings back five officers who have been laid off. Any additional cost not supported by the grant must be made up from agency funds. The present grant awarded is a new hire grant which will add five new deputies. For FY 2011/12 the CEO has requested departments submit reductions to help the county during these tough financial times. The current budget for the Sheriff's department (Operations) contains the reduction in force of five deputies. To decrease the impact to the department the Sheriff and CEO may request a modification of the grant to a rehire status which will provide the department the ability to rehire up to five deputies.

SHERIFF-CORRECTIONS

BUDGET UNIT 23000

The Corrections Division of the Merced County Sheriff's Department is responsible for the care and welfare of adult inmates lawfully committed to the custody of the Sheriff. Operations of these facilities are governed by the California Penal Code, the California Government Code, and by other applicable State and Federal laws. Currently, two facilities are operated to meet this responsibility: the Main Jail located at 700 West 22nd Street and the John Latorraca Correctional Center located on Sandy Mush Road outside of El Nido. During fiscal year 2003/04, the Board of Supervisors approved a name change of the Sandy Mush Adult Correctional Facility to the John Latoracca Correctional Center.

EXECUTIVE'S COMMENT

Financing the operation of county correctional facilities continues to be a major funding issue for most counties. In recent years, tougher policies on crime combined with mandatory sentencing laws have left counties struggling to keep up with the space and programs needed to keep the justice system in balance. Population caps for the jails often require the release of inmates after serving only a portion of their sentences. However, this alternative is becoming less feasible as the population of inmates awaiting trial becomes a greater percentage of the total. The "Three Strikes" initiative has resulted in a growing number of persons arrested for felonies electing to be tried rather than to plead. In FY 2003/04 and FY 2004/05, 12 additional beds and 20 beds respectively were added to the John Latorraca Center. Electronic monitoring devices and other work furlough programs help mitigate the impact of high jail populations.

Video arraignment from the John Latorraca Center to the Los Banos Court system was added during FY 2002/03. During FY 2003/04, additional video arraignment systems were added to the main Merced Courts for connection to both the Main Jail and the John Latorraca Center.

In FY 2005/06, with collaboration from Merced College, the Sheriff and the college established a Correctional Core Academy. This academy continues to provide in-town mandated training for new correctional officers.

In FY 2007/08, an agreement was made with the State Division of Adult Parole Operations to house 30 State parolees daily in an In-Custody Drug Treatment Program.

REVENUE

This category is increased overall for State Other and State Aid – Public Safety Services based on new felonies that require DNA testing that will be reimbursed and current receipts of Public Safety funds.

On August 18, 2009 (Final Budget) the Board of Supervisors approved the deletion of one (1) Correctional Officer I/II (Position #4) and one (1) Security System Operator (Position #97). The Commander – Corrections classification was changed to Commander – Corrections (At-Will).

On September 29, 2009 the Commander - Corrections (At-Will) Classification was changed to Commander – Corrections.

On August 24, 2010 (final budget) the Board of Supervisors approved to hold one (1) Correctional Senior Sergeant (Position #59) vacant for half of the fiscal year due to budget constraints. Two (2) Correctional Facility Admission Clerks were added and delete two (2) vacant Security Systems Operators (Position #95, 99). Furthermore, the department requests to delete one (1) vacant Commander – Corrections (Position #74) due to budgetary constraints.

The salary and employee benefits accounts have been adjusted to reflect annual merit increases, loyalty bonuses, employee bargaining unit agreements, unrepresented management adjustments, health insurance rate adjustments, workers compensation adjustments, retirement rate adjustments based on the actuarial study and State requirements for Workers' Compensation changes.

For FY 2011/12 Proposed Budget the County Executive Officer, in coordination with the department, recommends the deletion of nineteen (19) filled Correctional Officer I/II (Position #3, 8, 11, 15, 42, 44, 45, 51, 57, 62, 82, 83, 120, 123, 130, 134, 137, 141, 144), five (5) filled Correctional Senior Sergeant (Position #2, 35, 117, 136, 143), five (5) filled Security Systems Operators (Position #47, 98, 101, 105, 106), and four (4) vacant Correctional Officer I/II (Position #36, 50, 78, 110) in order to facilitate the CEO's recommendation to reduce the departmental budget by twenty percent. These reductions are part of the Main Jail closure proposal. The resulting cuts would result in transfer of inmates to the John Latorraca Facility, mothballing of the Main Jail facility, and release of inmates if John Latorraca facility is overcrowded per Federal regulations.

SERVICES AND SUPPLIES

This category is decreased overall based on proposed plan to close the Main Jail located at 700 W. 22nd Street in Merced. All line items associated with jail operations were affected.

OTHER CHARGES

This category is decreased based on no appropriations being requested for FY 11/12.

INTRAFUND AND INTERFUND TRANSFERS

This category is budgeted for services provided to the Marie Green facility and Juvenile Hall complex.

CAPITAL ASSETS

None.

POLICY IMPLICATION

For FY 2011/12 the County Executive Officer has requested reductions in departmental budgets to help provide a balanced budget. The Sheriff has submitted a proposal to close the Main Jail Facility to meet these reductions. This proposal would include the reduction of thirty three (33) positions. Inmates would be transferred from the Main Jail facility to the John Latorraca Facility and the Main Jail would be held vacant until a decision is made about its future.

JUVENILE HALL

BUDGET UNIT 23300

The Merced County Juvenile Hall, under the direction of the Chief Probation Officer, provides temporary secure shelter, counseling, education, and care for minors detained or committed to the Juvenile Hall as status offenders or law violators.

On November 22, 2005, Merced County Board of Supervisors (BOS) approved Ordinance 1770 that designated 60 Beds of Detention (Building #1) and 60 beds of Camp Bear Creek Academy.

EXECUTIVE'S COMMENT

Fiscal Year 2007/08, the Juvenile Justice Correctional Complex (JJCC) will continue to operate with 120 beds, 60 beds for detention and 60 beds for the Bear Creek Academy. Any increased cost of the operation will be offset by the Juvenile Detentions Facilities trust fund, originally authorized for this purpose.

The Bear Creek Academy continues to provide a rehabilitative program for local youth and reduce out-of-county placements in group homes, probation camps, and the Department of Juvenile Justice. The Department continues to reduce the number of costly placements and has become more effective by working with juvenile offenders on a local level. The Camp designation has allowed the department to access statewide camps funding to offset some of the costs of operating the Bear Creek Academy.

The Governor's Budget proposal for FY 07/08 includes a prison reform proposal that will shift the responsibility for housing and supervising juvenile offenders from the Department of Juvenile Justice to local jurisdictions. These changes may impact the operation of the JJCC, and may result in the need to expand the current facility.

REVENUE

An increase in revenue is based on anticipated increases in State, Federal and Institutional Care and Services funding.

As part of the proposed budget, 15 of the 120 Juvenile Hall beds are proposed for closure; seven (7) beds are those reserved for detention (those minors detained pending court) and eight (8) beds are for minors committed to the Bear Creek Academy camp program. Closure of detention beds will limit the ability of law enforcement agencies to book juvenile felony offenders and/or will result in necessitating the release of other juvenile felony offenders. Closure of camp beds will limit the ability of the Court to place minors adjudicated for felony offenses in the rehabilitative commitment program.

PROBATION

BUDGET UNIT 23400

The Probation Department provides coordinated services to the courts, other justice agencies within the County, and the community. These services include screening, investigation, disposition and treatment of juvenile status offenders and law violators; written probation reports and recommendations to the courts and correctional programming for those placed on probation; services to victims; and, legally mandated and court ordered services in accordance with appropriate sections of the Penal Code, Welfare and Institutions Code, Family Code, Civil Code, Code of Civil Procedure, Probate Code and Government Code.

EXECUTIVE'S COMMENT

This past year the department has purchased a scientifically validated assessment tool, which will determine each Probationer's risk factors and supervision level. The department is continuing in the hiring of additional Deputy Probation Officer's for the adult supervision unit. This additional staffing will advance the Department's goals from both the public safety perspective as well as relieving jail overcrowding. This five year plan provides due diligence on the part of Merced County.

In concert with this five-year plan, Senate Bill 619 was passed allowing the Chief Probation Officer of the County to place high-risk offenders on electronic or GPS monitoring. A contract for this service has been executed and funding is included within the budget.

State funding for juvenile services remains stable at this time. In addition however, the Governor's budget includes $94,000 for each ward who is considered non-violent to be housed and supervised locally. This funding will be provided based on each county's commitment rate to the California Department of Corrections and Rehabilitation, Division of Juvenile Justice, over the past 10 years in the form of block grants. Because Merced County has historically had a high rate of commitment, it is anticipated the County could receive substantial state revenue.

As noted previously the Governor's Budget also includes significant shifting of responsibility for adult and juvenile offenders from the State to local jurisdictions. This proposed State budget also includes substantial increases in funding to both adult and juvenile services on the local level.

REVENUE

This category increased due to an increase in funding from State and Federal sources.

BUDGET UNIT 23700

This budget accounts for payments for the care of County residents in state institutions, i.e.: California Youth Authority (CYA), State health facilities, School for the Deaf, etc. These costs are controlled by the State.

EXECUTIVE'S COMMENT

On February 1, 1996, the Governor signed SB 681 that included an increase in the charge per ward for commitments to the CYA. The range was $150-$2,600 per month contingent on the seriousness of the offense. A sliding scale was implemented whereby the County may receive full cost reimbursement for serious offenders and pay more for less serious offenders committed to CYA. This legislation became effective January 1, 1997 and was prospective. This legislation has had a significant impact on this budget unit and the County continues to support efforts to change the reimbursement methodology. Effective July 2007, the range for the charge per ward for commitments to the CYA is at $185-$3,440 per month contingent on the seriousness of the offense.

FIRE

BUDGET UNIT 25000

The Fire Department provides fire prevention, fire suppression and rescue operations, emergency medical response, and public service education for the unincorporated areas of the County with the exception of the cities of Merced, Atwater, and Los Banos. Since July 1, 1988 Merced County has provided fire protection to its residents under a cooperative agreement with the California Department of Forestry and Fire Protection (CAL FIRE). Under the provisions of this agreement, all dispatch functions are conducted from the Emergency Command Center at CAL FIRE Unit Headquarters in Mariposa. Funding for the Office of Emergency Services was consolidated into the Fire Fund in FY 1993/94. In FY 2003/04 CAL FIRE took over the operations of the Castle Fire Station.

EXECUTIVE'S COMMENT

Fiscal year 2008/09 will mark the twentieth year Merced County has provided fire protection to its residents under a cooperative agreement with the California Department of Forestry and Fire Protection (CAL FIRE). Merced County has benefited from the size and depth of the CDF organization in scheduling coverage of County fire stations to minimize overtime costs and in procuring supplies and equipment. Careful budgeting and management of personnel resources on the part of CAL FIRE have been an important factor in managing the Fire budget. The current agreement with CAL FIRE requires monitoring due to the costs associated with this agreement.

The Merced County Board of Supervisors directed the Fire Department and the Department of Public Works to identify an appropriate location for a fire protection facility in the Beachwood/Franklin/McSwain area. The location for the improved fire protection service facility is 1901 Gurr Avenue. The station was completed and became operational in February 2007.

DPW-CREEK PROJECTS DIVISION

BUDGET UNIT 26000
The Board of Supervisors established this budget unit to account for maintaining and preserving designated channels, creeks, Merced County Streams Project, Castle Dam in Merced County, and designated alleys in unincorporated communities.

EXECUTIVE'S COMMENT
The first component of the Merced County Streams Project was completed in December 1991, with the construction of the Castle Dam Unit. In 1995, the Corp of Engineers turned over responsibility for operation and maintenance of Castle Dam to Merced County. The County is responsible for all operation and maintenance activities related to facilities developed for this flood control project. There are three more components yet to be initiated, one additional new reservoir, the enlargement of one existing reservoir and channel improvements along Bear Creek. During FY 1995/96, the U.S. Army Corp of Engineers requested and received a written reaffirmation of support for completion of the remainder of the Project from the County and the City of Merced. Discussions continue with the U.S. Army Corp of Engineers and Bureau of Reclamation regarding phase II of the project. The Corp of Engineers is currently preparing a General Review and Reevaluation Report on the Project in part due to environmental issues restricting the construction of Hay Stack Reservoir.

As part of the Federal Clean Water Act, the County was required to implement a National Pollutant Discharge System water quality management program by 2003. County staff took the lead role in developing this program utilizing consultant services, Merced Irrigation District, and the cities of Merced, Atwater, and Livingston. The costs and permits for the development of this program will be shared proportionately between the agencies involved. The program has been submitted and is currently under review.

AGRICULTURAL COMMISSIONER

BUDGET UNIT 27000

This department is committed to the protection and promotion of agriculture, Merced County's primary industry, as well as the enhancement and conservation of the environment and protection of the public health, safety and welfare of all residents and consumers. This is achieved through the enforcement of federal and state laws, county ordinances and policies of the Board of Supervisors.

The department activities aim to prevent the introduction and spread of injurious insects, plant and animal diseases, and noxious weeds; to ensure consumer satisfaction by standardization of packaging of fruits, nuts, vegetables, eggs, and honey; and to enforce laws relative to the use and sale of chemicals and pesticides.

EXECUTIVE'S COMMENT

The California Department of Food and Agriculture (CDFA) has contracted with the Agricultural Commissioner to conduct "high-risk" inspections of incoming plants and plant products to prevent introduction of new insect, disease, and weed pests into the County. Funding was provided from the State general fund; however, due to the State's fiscal situation, the funding for these contracts is in jeopardy of elimination. Other State General Fund contracts in danger of elimination include the Weed Management Area (WMA) contract and the Red Imported Fire Ant (RIFA) contact for post treatment survey. These are critical preventative inspections that help avoid much more costly eradication efforts if these pests slip through and become established. The Red Imported Fire Ant escaped inspection and became established in several locations in the County in the late 1980's and early 1990's. The Red Imported Fire Ant (RIFA) was discovered in an almond orchard in Merced County in 2001. After a survey it was determined to be infesting approximately 5,000 acres in several locations near Snelling and Gustine. The CDFA has aggressively been treating the infestation with a significant reduction in the level of infestation. With their funding cut for the eradication program it is expected funding for post treatment survey will be cut as well. This survey is a critical component of eradication to confirm to other states and foreign countries that agricultural products from the area are free of RIFA contamination.

Fortunately, the County's main State source of funding, unclaimed gas tax (UGT) has become a stable source of funding. In legislative year 2007-2008, the distribution of UGT to County Agricultural Commissioners' authorized under the Budget Act, was placed in code

Annually the California Department of Pesticide Regulation (DPR) and the Agricultural Commissioner negotiate a work plan for pesticide regulatory priorities in the County. This process is evolving from a "numbers" based plan to a "quality and response" based plan. During the transition, it is important to maintain the "numbers" since they are the basis for much of the pesticide mill assessment disbursement

REVENUE

This category has been increased in State Aid for Agriculture and Agriculture Services based on revised revenues for inspections and a one-time transfer of funds.

EXECUTIVE'S COMMENT

The Road Division is a major client of Professional Services. Over the past few years, this division has provided preliminary cost and design services for several projects requested from General Fund departments, but have been unable to recover these costs unless the project is budgeted. An appropriation is included in Budget Unit 17000 to reimburse Professional Services for some of these costs.

Fees computed and collected by this office include filing fees, micrographic fees and documentary transfer taxes. Official records are open for public viewing and copies are available for purchase. The Recorder's office was consolidated with the Assessor's office in January 2009.

BUDGET UNIT 28100

The Coroner acting under the authority of the California Penal Code, Government Code, and Health and Safety Code provides a preliminary inquiry into any death reported. This hearing is recorded and if circumstances warrant, a full investigation into the cause of death is done. In October 1993, the Board of Supervisors adopted Ordinance 1479 to consolidate the office of Coroner with the Sheriff pursuant to Government Code Section 24304. In FY 1999/00, the memorandum of understanding (MOU) between the County and Union representative agreed that the Deputy Sheriff I/II and Sheriff Sergeant/Senior Sheriff Sergeant would perform Coroner functions and receive a salary differential.

AGRICULTURAL COMMISSIONER - ANIMAL CONTROL

BUDGET UNIT 28700

This division of the Agricultural Commissioner's Office is charged with the responsibility of enforcing State laws and County ordinances relative to licensing, vaccinating, and regulating dogs and other domestic animals. The division maintains the animal shelter for impounding; placing and disposal of unwanted dogs, cats, and strays; and quarantining rabies-suspicious animals. Spaying or neutering of adoptable animals and other health services are provided to shelter animals.

EXECUTIVE'S COMMENT

The current State Mandated programs and service levels implemented have reduced the departmental animal euthanasia rate from 83% in FY 2001/02 to 48% in FY 2009-10. The new Animal Shelter facility opened in March 2009 and will better serve the public and provide opportunities for public outreach and education. However, staffing Levels continue to be critical due to increase in size and capacity of the new shelter which reached full capacity within 90 days of operation.

REVENUE

This category increased in Humane Services and decreased overall in Animal Licenses and Spay/Neuter Surgery based on departmental estimates.

On August 18, 2009 (Final Budget) the Board of Supervisors approved the reorganization of the department; deleting one (1) Veterinarian (At-Will) (Position #21), one (1) Animal Control Supervisor (Position #9), and adding one (1) Animal Control Assistant Director position.

On August 24, 2010 (final budget) the Board of Supervisors approved to hold one (1) Animal Control Assistant Director (Position #26) vacant for half of the fiscal year due to budget constraints.

On February 15, 2011 the Board of Supervisors approved the deletion of one (1) vacant Animal Control Assistant

SALARIES AND EMPLOYEES BENEFITS (Continued)
Director (Position #26) in preparation of upcoming countywide revenue shortfall.

The salary and employee benefits accounts have been adjusted to reflect annual merit increases, loyalty bonuses, employee bargaining unit agreements, unrepresented management adjustments, health insurance rate adjustments, workers compensation adjustments, and retirement rate adjustments based on the actuarial study.

For FY 2011/12 Proposed Budget the County Executive Officer, in coordination with the department, recommends the deletion of one (1) filled Animal Control Dispatcher (Position #15), one (1) filled Account Clerk III (Position #8), and one (1) vacant Animal Control Officer III (Position #19) in order to facilitate the CEO's recommendation to reduce the departmental budget by twenty percent.

Reduced staffing levels will impact several areas of the department's operations. The work of the Dispatcher will need to be absorbed by each of the Animal Control Officers who will be assigned to work dispatch on a rotating basis. The deletion of the Animal Control Officer increases the workload for the four remaining field officers who respond to calls for service 6 days a week. Any further reduction in the number of Animal Control Officers available for field response would likely strain response beyond a sustainable level. To offset the loss of the Account Clerk III, the department will use the Agricultural Commissioner's Account Clerk for these duties and will budget 50% of the salary costs of the position. The increased workload for the remaining Account Clerk could result in delays in the settlement of accounts

The department continues to deal with an increased demand for services due to the current economic downturn resulting in an increase in both the number of animals being handled and requests for field service.

SERVICES AND SUPPLIES
This category reduced overall in Special Department Expense-Other, Professional and Special Services-Data Processing, and Transportation and Travel-County Vehicle based on fiscal constraints. This category increased overall in Professional and Special Service-Other County Dept, Insurance-General Liability, and Maintenance-Equipment based on departmental estimate.

PREDATORY ANIMAL CONTROL

BUDGET UNIT 28800

The Predatory Animal Control program provides animal damage control for Merced County. It is operated in conjunction with the United States Department of Agriculture (USDA) that provides employees and splits the costs for supplies, equipment and supervision with the County. Animal damage control is an essential activity in agricultural areas where there can be significant dollar losses due to depredation of livestock and poultry, losses to crops, and damage to irrigation systems and other property.

EXECUTIVE'S COMMENT

The Agricultural Commissioner took responsibility for the Predatory Animal Control function during FY 1998/99. The Governor's May revise for FY 2002/03 eliminated the State's share in the cost of funding the Cooperative Wildlife Services Predatory Animal Control Program. USDA picked up a portion of this funding, but the net result was Merced County losing 0.5 Full Time Equivalent (FTE) trapper (one trapper position is currently shared with Madera County). Since FY 2002/03 Merced County has maintained the 1.5 FTE Trapper staffing level, where one trapper position has been shared with Madera County. For FY 2007/08, Madera County is increasing their program to fund 1.0 FTE Trapper. USDA staff has advised that Merced's animal damage control workload can be effectively covered by 1.0 FTE Trapper. The approved FY 2008/09 budget reflects the USDA's recommended staffing level of 1.0 FTE Trapper for Merced County.

MERCED COUNTY ASSOCIATION OF GOVERNMENTS

BUDGET UNIT 28900

The functions of the Merced County Association of Governments (MCAG) are to conduct area-wide planning as may be required by law or directed by the governing board, to render technical assistance to MCAG member agencies as authorized by the governing board, and to act as the Solid Waste Advisory Board which is an advisory body established by the solid waste disposal agreement between the County of Merced and the cities of Atwater, Dos Palos, Gustine, Livingston, Los Banos and Merced. MCAG is designated the Regional Transportation Planning Agency for Merced County and has other transportation planning responsibilities including the responsibility for the Transit Joint Powers Authority. MCAG is responsible for local review of proposed federal financial assistance, direct federal development activities and environmental documents, and State plans. MCAG is also able to provide contractual staff work on regional projects like the Yosemite Area Regional Transportation Strategy Board.

This budget unit is used to appropriate Merced County's annual payments in support of MCAG.

EXECUTIVE'S COMMENT

In Fiscal Year 2011/12, MCAG contributions were reduced overall by the County's elimination of the One Voice Program from the approved 2011-2012 MCAG Overall Work Program. This may affect the County's role in some areas of participation with MCAG.

AIRPORT LAND USE COMMISSION

BUDGET UNIT 29000

As set forth in sections 21670 through 21676 of the Public Utilities Code, the purpose of the Airport Land Use Commission (ALUC) is to study and recommend uses and use restrictions for land surrounding public airports. The ALUC meets on a quarterly basis. The Airport Land Use Commission has the authority to review public agency decisions regarding new land uses near airports and determine whether actions are contrary to the best interests of the airport and adjacent areas. If the Airport Land Use Commission determines that the proposed use is harmful, the determination can only be overruled by a four-fifths vote of the governing body having jurisdiction over the affected airport.

COUNTY CLERK

BUDGET UNIT 29400

On August 19th, the Board of Supervisors approved reorganizing the management oversight of the County Clerk from the Auditor/Controller's Office to the Treasurer's Office, effective January 5, 2009.

On January 5, 2009, the Treasurer – Tax Collector assumed the functions of County Clerk, Registrar of Voters, Elections, and Revenue & Reimbursement Departments. The County Clerk issues marriage licenses; performs marriage ceremonies; accepts passport applications and fees; files and indexes Fictitious Business Statements; administers oaths of office to Notaries as well as loyalty oaths to county employees and elected officials; files powers of attorney for surety companies; files and posts public notices and environmental impact reports; certifies to the capacity of public officials; and registers process servers and unlawful detainer assistants. The registration includes requesting background investigations from the Department of Justice. In FY 1992/93 the Superior Court invoked the provisions of Government Code Section 69898 (d) and assumed from the County Clerk all duties previously performed in relation to judicial actions, proceedings and records.

During FY 2002/03, new automated scanning, indexing, recording and accounting system software and equipment were purchased by the Recorder's Office. As part of that automation project, a module of the system is installed for automation of cashiering, and the filing and indexing of Marriage Licenses, Fictitious Business Name Statements, Notaries, and Fish & Game reports.

REVENUE

This category was reduced overall based on a reduction in Marriage Licenses and lowered estimates for Passports. As part of the budget consideration for this department a request to cease provision of Passport Acceptance services is requested, if approved the action would result in further reduction in revenue.

DPW-ROAD DIVISION

BUDGET UNIT 30000

A major function of the County is to maintain public roads in the unincorporated area. The Streets and Highway Code gives the Board of Supervisors the authority over roads that are necessary for public convenience to be established, constructed, and maintained by the Department of Public Works (DPW). There are approximately 1,735 miles of maintained County roads, of which 1,512 are paved. The Road Division of DPW is responsible for these activities and currently consists of six (6) sections: Administration, Road Maintenance, Equipment Shop, Traffic/Sign Shop, Refuse Collection Enforcement, and Engineering Support. The Roads Division purchases engineering & clerical services from DPW-Professional Services Budget Unit 27400.

EXECUTIVE'S COMMENT

Merced County's road system continues to receive inadequate Federal/State funding to provide any significant program for reconstructing the several hundred miles of County roads that have deteriorated beyond the point where preventive maintenance and repair is effective.

REVENUE

This category is reduced in State Aid for Design TCRP/RIP, Federal Aid for Design TEA/21, Federal Aid for Const-SAFETEA HPP and Federal Other. This reduction reflects less construction on Campus Parkway and other Roads projects.

HEALTH

BUDGET UNIT 40000

The Health Department derives its authority from Section 101000 et. seq of the California Health and Safety Code and Title 17 of the California Code of Regulations. These codes delineate the powers and responsibilities of the County Health Officer and his agents. Since FY 1990/91, medical responsibilities have been with the Health Officer while overall executive management of department functions has been under a non-physician administrator. The responsibilities of the different functions include departmental administration, clinical services, vital statistics, childrens medical services, health education, environmental health activities, public health nursing, maternal and child health, communicable disease control, emergency medical service management and planning, and laboratory services.

The Director of Public Health is the designated liaison for contract oversight and monitoring of the lease of the former County Hospital, (MCMC) to Catholic Healthcare West (CHW) and for the contract for Jail Health Services with California Forensic Medical Group (CFMG). The Health Department is also responsible for administrative direction of Budget Unit 49500-Indigent Health Care Programs (IHCP) and Budget Unit 40600–First 5 Merced County. In 2008, the Health Department transferred responsibility of Jail Health Services contract to the Sheriff's Department

EXECUTIVE'S COMMENT

The Health Department budget assumes a distribution formula for Health Realignment between the Health Department (Budget Unit 40000) and the Indigent Health Care Program (Budget Unit 49500) of 57% Health and 43% IHCP. The receipt of Federal Intergovernmental Transfer (IGT) for clinical and other Medi-Cal related services has allowed the department to meet its required 20% reduction in net county cost in these areas. The revenue is anticipated to be realized in FY2011/12 upon successful award. The department has identified additional reductions to staffing if the County is unsuccessful on obtaining these funds.

REVENUE

Revenue has increased primarily due to the anticipation of Federal Intergovernmental Transfer (IGT) for clinical and other Medi-Cal related services and an increase to environmental health fees adopted May 24, 2011.

First 5 Merced County

BUDGET UNIT 40600

On November 3, 1998, California voters approved Proposition 10 implementing an additional tax on tobacco products. Proceeds from the tax are expended on programs and services related to early childhood development and service integration and improvements. The Board of Supervisors adopted Ordinance No. 1620 in March 1999, creating the Merced County Children and Families Commission, the body that reviews and authorizes expenditures of the Proposition 10 tobacco tax.

Governmental Accounting Standards Board (GASB) Statement Number 34 specifies how special revenue funds, that are restricted to a specific purpose, should be tracked. Proposition 10 falls under the category of a special revenue fund and Statement 34 mandates it should be a separate account outside the general fund. Therefore, Budget Unit 40600 was established to conform to the requirements of GASB Statement 34.

In April 2005, the Board of Supervisors adopted Ordinance No. 1747, changing the legal name of the Commission to First 5 Merced County and moving administrative oversight to the Public Health Department.

EXECUTIVE'S COMMENT

The 2003 Strategic Plan adopted by the Merced County Children and Families Commission details various funding approaches of the Commission. The Strategic Plan is reviewed on an annual basis and may be modified based on needs identified in the review process.

In FY 2004/05, the Commission adopted a Capacity Building plan for community organizations. The Commission is involved in planning efforts with other county departments to help create an integrated, collaborative system of information and services for children ages 0-5 and their families. These planning efforts include the Merced County Children's Summit, the Mental Health Services Act, and the Children's Health Initiative.

The Commission will continue to dedicate resources in FY 2008/09 for special projects such as collaborative endeavors, outreach and education, and community meetings with parents of children ages 0-5. The Commission will also continue to seek out opportunities that leverage resources and initiatives that secure greater local investment in early intervention and prevention programs for children ages 0-5.

In 2008, the Commission is conducting its third strategic plan to provide direction for First 5 programs in the over the next 3-4 years.

REVENUE

This category has decreased due to an expected reduction to Proposition 10 tobacco tax revenues.

MENTAL HEALTH

BUDGET UNIT 41500

The Department of Mental Health provides a range of prevention and treatment services for problems related to alcohol, drugs and mental health.

The Mental Health division provides services to children with serious emotional disturbances and to adults and children experiencing severe and disabling mental illnesses. Such services assist these individuals to better manage their illnesses, to achieve their personal goals and to develop skills leading to their living the most constructive and satisfying lives possible in the least restrictive settings.

The Alcohol and Drug division provides a range of prevention and treatment services including education, early intervention, residential and outpatient recovery services for people experiencing problems related to alcohol and other drug use.

EXECUTIVE'S COMMENT

The Department is mandated to ensure that all citizens have access to necessary assessment, crisis intervention services, and involuntary inpatient psychiatric services under Welfare and Institutions Code Section 5150 for persons who are a danger to self or others or gravely disabled due to a mental illness.

In November 2005, MHSA was passed by the voters of California. The Mental Health Department was required to submit a plan to the State detailing how the additional funds would be used. The State approved the plan in April 2006.

In FY 1997/98, Budget Unit 41600 Mental Health Alcohol and Drug Abuse was consolidated with Budget Unit 41500 Mental Health to allow the department more flexibility. Sub-budgets were established in the Mental Health budget to facilitate budget preparation and monitoring. In November 2005, MHSA was passed by the voters of California. The Mental Health Department was required to submit a plan to the State detailing how the additional funds would be used. The State approved the plan in April 2006. In FY 2008/09 additional Sub-budgets were added to assist in tracking MHSA programs expenditures. These new Sub-budgets are included in the 2008/09 budget submitted by the Department. These changes are reflected in the proposed budget.

The Mental Health Division has continued to target services for youth and their families in order to meet the mandated requirements for the Early Periodic Screening, Diagnosis, and Treatment (EPSDT) Medi-Cal entitlement program, including Therapeutic Behavioral Services (TBS). A new youth facility was opened in January 2003. The reduction in force in FY 2006/07 has significantly reduced the Department's ability to continue growth in this area and to meet this mandate.

The Alcohol and Drug Services Division operates under a net negotiated contract amount with the State of California. A major issue impacting this division is the injunctive order issued in federal court as a result of the Sobky vs. Smoley Medi-Cal lawsuit. The court ruling and the resultant implementation plan developed by the State Department of Alcohol and Drug Programs requires first priority for the use of State General Funds allocated to counties shall be to match Federal Drug Medi-Cal FFP funds. While not mandating that programs be Drug Medi-Cal certified, the risk of not maximizing the use of State General Funds to draw down Drug Medi-Cal funds is that the State may reallocate the State General Funds in subsequent years to counties that have exhausted their State General Funds for Medi-Cal match.

The County Executive Office in coordination with the Human Services Agency and the County Department of Mental Health are reviewing the possible transfer of the Public Guardian, Public Conservator, and Public Administrator programs from the Human Services Agency to Mental Health. This is expected to result in a cost savings to the county general fund through possible Medi-Cal and realignment funds and also allow for an ease of subsidiary participant services already provided by Mental Health. Staff will return to the Board with any proposals that transfer the programs at or before final Budget.

Additionally, the County Executive Office also recommends further evaluating the transfer of the Area Agency on Aging (AAA) programs to the Mental Health department. Components of the AAA program align with the Mental Health Services Act under the Community Services and Support program and the

EXECUTIVE'S COMMENT (Continued)

Prevention and Early Intervention program. This transfer may result in expanded services for the community and a reduction in cost for the county.

Staff recommends returning to the Board of Supervisors at Final Budget after further review and planning.

REVENUE

This category has increased overall primarily from an increase of expected Medi-Cal and Proposition 63 funds based on State estimates. These increases are partially discounted due to the expiration of Federal American Reinvestment and Recovery Act funding (ARRA).

MEDICAL ASSISTANCE PROGRAM

BUDGET UNIT 49500

On November 1, 1982, Merced County accepted the transfer of the Medically Indigent Adult categories of Medi-Cal from the State of California through AB 799. At that time, Merced County established the Medical Assistance Program (MAP) to receive funds under AB8, the Medically Indigent Services Program (MISP), to pay the cost of medical services for this specific population as per the contract with the State Department of Health Services. In 1998, Proposition 99, the Tobacco Tax, resulted in funding from the State to the counties for the California Health Care for Indigents Program (CHIP) to help pay for the increasing costs of indigent health care. In Merced County, the CHIP program was renamed the State of California Extended Access Program (SCEAP). In 1990, Health Realignment, a combination of sales tax and vehicle license fees, was established to replace the AB8 funding mechanism. Merced County is required by Welfare and Institutions Code Section 17000 to provide health care services for indigents but is free to establish eligibility criteria, scope of benefits, service sites or providers, reimbursement rates etc. Between 1990 and 1996, the Section 17000 obligation was addressed through the MAP and SCEAP programs. Prior to 1996, Merced Community Medical Center (MCMC) staff and Health Department staff collaboratively administered these programs. In 1996, administration of the entire indigent health care program and funds was transferred to the Health Department. In 1998, the budget unit was renamed Indigent Health Care Programs (IHCP) in recognition of the multiple programs and funding sources administered by the staff.

Payments to providers through this budget unit for health care services to jail inmates began in 1998 under the Jail Authorized Medical Services (JAMS) program and in 2000; the State Emergency Medical Services Appropriation (EMSA) was established to pay physicians for medical care. SB 12, the Emergency Medical Services (EMS) Fund was established in 1990 and is also administered through this program.

The Director of Public Health is responsible for administration of this budget unit.

EXECUTIVE'S COMMENTS

In 1997, Merced Community Medical Center was leased to Sutter Health. The focal point of that lease was provision of health care to county indigents by Sutter without complete compensation by the County. In 2001, the hospital lease was transferred to Catholic Healthcare West (CHW) and the lease term extended for an additional 26 years with additional health care obligations. The IHCP Program and staff are integrated closely with daily clinical operations of the leased hospital and Health Department administration on lease related and indigent health care issues.

During FY 2001/02, responsibility for the day to day operations of the Jail Health Program was transferred from the Health Department to California Forensic Medical Group (CFMG), a privately owned company providing medical and dental services to inmates of the Merced County Adult Correctional facilities. The IHCP staff continues to process JAMS payments for inmate services with reimbursement from CFMG for those costs.

The Health Department's current distribution formula for Health Realignment between the Health Department (budget unit 40000) and the Indigent Health Care Program (Budget Unit 49500) is 57% Health/43% IHCP. No net county costs are included in this budget unit.

REVENUE

Revenue is projected to increase over the prior year due to an increase in sale tax and vehicle license fee realignment.

HUMAN SERVICES AGENCY

BUDGET UNIT 50000

The Welfare and Institutions Code Section 10000 sets forth the authority, "To provide for protection, care, and assistance to the people of the State in need, and to promote the welfare and happiness of all the people of the State by providing appropriate aid and services to all that are needy and distressed. It is the legislative intent that aid shall be administered and services provided promptly and humanely, with due regard for the preservation of family life, and without discrimination... and that aid shall be so administered and services so provided to the extent that there will be no conflict with federal law as to encourage self-respect, self-reliance, and the desire to be a good citizen, useful to society."

The purpose of public social services for which Federal and State grants-in-aid are made is to help counties provide reasonable support and maintenance for dependent families and individuals; to provide timely and appropriate services to assist individuals to develop or use whatever capacity they can maintain or achieve for self-care or self-support; and to provide protective services to handicapped or deprived persons subject to social or legal disability and to children and others subject to exploitation.

Budget Unit 50000 is the Administrative budget for Budget Units 51000, Assistance to the Needy; and 53000, Aid to Indigents.

EXECUTIVE COMMENT

The County Executive Office in coordination with the department and the County Department of Mental Health has begun to evaluate the transfer of the Public Guardian, Public Conservator, and Public Administrator programs from the Human Services Agency to Mental Health. This is expected to result in a cost savings to the county general fund through possible Medi-Cal and realignment funds and may also allow for an ease of subsidiary participant services already provided by Mental Health. Staff will return to the Board with any proposals that transfer the programs at or before final Budget.

REVENUE

Revenue has decreased overall primarily due to revenue related to the elimination of the CalWORKs Subsidized Employment program (BU 50003), reduction of Federal and State revenue for C-IV (BU 50012). The decrease in revenue was slightly offset by an increase to Federal Public Assistance - Administration estimates.

IHSS PUBLIC AUTHORITY

BUDGET UNIT 50500

Assembly Bill 1682 established a requirement for counties to name an employer of record for In-Home Supportive Service (IHSS) providers by 2003 for purposes of collective bargaining. The legislation also developed new mandated IHSS functions and services to provide assistance for recipients. The IHSS program assists eligible elderly, blind, or disabled individuals who require supportive services at home.

On February 5, 2002 the Board approved establishing the IHSS Public Authority, governed by the IHSS Governing Board, as an employer of record for providers on IHSS. The ordinance, policies, and procedures for the IHSS Public Authority were approved with the Public Authority established on November 4, 2002 and operational by December 31, 2002. Budget unit 50500 was established, based on the mandated Public Authority functions identified in the Welfare and Institutions Code Section 12301.6, to accommodate the mandatory staffing and operational expenses of AB1682.

EXECUTIVE'S COMMENT

A contract between the County and the Public Authority for administration and staffing of the IHSS program is in place. The IHSS Advisory Committee continues to address policies and procedures regarding the Public Authority. Of primary concern is the Governor's proposal regarding the redirection of state participation in the wages of providers during the ongoing negotiations for provider wages and benefits.

REVENUE

Revenue has decreased to decreased expenditures and shift of Federal and State funding..

DEPARTMENT OF WORKFORCE INVESTMENT

BUDGET UNIT 55000

The Department of Workforce Investment (DWI) was established to provide access to information, referral, supportive services, training and job placement services to Merced County businesses and residents. DWI utilizes funds from the Federal Workforce Investment Act (WIA) and other related funding sources that come through the Board of Supervisors and the Workforce Investment Board. Universal services are provided to all Merced County Residents. Individuals enrolled in WIA programs include special target groups who may be economically disadvantaged, laid off, unemployed or on public assistance. WIA also provides business services and a skilled workforce for employers in Merced County. The authority to conduct and subcontract grant programs, as well as the funding for local programs, comes from the Federal Workforce Investment Act of 1998.

To assist the County and the Department in fulfilling its mission, the Board of Supervisors established the Merced County Workforce Investment Board (WIB), effective July 1, 2000.

EXECUTIVE'S COMMENT

On August 7, 1998, the President signed Public Law 105-220, known as the Workforce Investment Act (WIA). During FY 1999/00, the Board and the State approved the Workforce Investment Board and the Merced Youth Council. The Board established a Workforce Investment Board/Chief Local Elected Officials (WIB/CLEO) Agreement for oversight of the County's WIA and aligned programs.

DWI has been designated by the Board to administer programs, and through the WIB/CLEO, provide staff to the WIB. Additionally, the Board and the WIB have jointly designated the Department to serve as the One-Stop operator for WIA services.

The department has proactively begun soliciting alternative funding sources and collaboration that match its programmatic function. This is due to reductions in the formula grants from the State that funds the majority of the operations. In FY 2011/12 the department has applied for a variety of grant funds that will allow the department to maintain the direct client service workforce that is scheduled for deletion.

REVENUE

Revenue has decreased primarily due to the expiration of American Recovery and Reinvestment Act funds no longer anticipated to be received by the State.

BUDGET UNIT 59000

The Area Agency on Aging (AAA) was designated by the California Department of Aging as the agency responsible for planning, developing, coordinating, and monitoring a comprehensive system of services and focal points for delivery of services to senior citizens throughout Merced County. This agency also acts as an advocate for the elderly in accordance with the 1978 Older Americans Act as amended. County Ordinance Number 964 established a Department of Aging to study, evaluate, and make recommendations to the Board of Supervisors relating to any and all matters affecting the aged of Merced County, including, but not limited to, health, education, employment, housing, nutrition, legal services, transportation, and recreation.

EXECUTIVE COMMENT

The County Executive Office in coordination with the department and the County Department of Mental Health has begun evaluating the transfer of the Area Agency on Aging (AAA) programs to the Mental Health department. Components of the AAA program align with the Mental Health Services Act under the Community Services and Support program and the Prevention and Early Intervention program. Staff will return to the Board of Supervisors at Final Budget after further review and planning.

LIBRARY

BUDGET UNIT 60000

The Merced County Library was established under California State Enabling Law in 1910. Since then, the Library has operated to provide a public service program addressing the informational, recreational, and cultural needs of all County residents. In January 1994, budget constraints resulted in Library operations being reduced to a minimal level. In January of 2001, the Library acquired the operations of the Law Library from the Courts.

In FY 07/08 the Library gained membership into the San Joaquin Valley Library System (SJVLS.) Membership in SJVLS will allow our local libraries to pool resources with the nine other county members. The San Joaquin Valley Library System assists member libraries to enhance service to their public through cooperation, resource sharing, technology, and networking.

EXECUTIVE'S COMMENT

In FY 2006/07, the Library began implementing a plan to restore the professional infrastructure of the County Library System and the hours of operation at Merced Library and the four regional branches (Atwater, Gustine, Livingston, and Los Banos).

However, in an effort to reduce countywide costs it is recommended to reduce the branch hours of operation by an average of 5 hours per branch and closure of the Winton branch for FY 2011/12.

The department remains engaged in the procurement of the grant funded bookmobile program that will allow for enhanced services to the county residents during trying financial times.

REVENUE

Revenue has increased overall due to expected Federal revenue and donations from trust for the Bookmobile purchase. The department expects to lose its State funding that has helped offset costs throughout the system.

The salary and employee benefits accounts have been adjusted to reflect annual merit increases, loyalty bonuses, employee bargaining unit agreements, unrepresented management adjustments, health insurance rate adjustments, workers compensation adjustments, and retirement rate adjustments based on the actuarial study.

For FY2011/12 the department requests to reduce Extra Help appropriation based on fiscal constraints

SERVICES AND SUPPLIES

This category has decreased overall due to a reduction in rent from the Winton branch closure. Professional and Special Services – Data Processing has decreased based on a reduction on service rates. The department has also reduced it book budget in order to meet the CEO's recommended twenty percent reduction in net county cost.

OTHER CHARGES

This category has decreased due to a new service arrangement with Delhi Unified School District

INTRAFUND AND INTERFUND TRANSFERS

	TOTAL	$266,500	$266,500

The Bookmobile is requested to service the rural communities and is supported by grant.

POLICY IMPLICATIONS

In order to meet the CEO's recommended 20% reductions in net county cost, the FY2011/12 Proposed Budget recommends an average reduction of five hour per branch and a reduction of work hours for variable shift employees. This will allow the Library to retain services to the community and maintain current staffing levels.

Additionally, the Proposed Budget recommends the closure of the Winton Branch library due to anticipated rental cost increases. It is anticipated that the bookmobile will supplement services in the Winton area once it becomes operational.

DPW-RECREATION DIVISION

BUDGET UNIT 70000

The Recreation Division of the Department of Public Works administers public recreation programs as approved and funded by the Board of Supervisors. These programs serve the leisure needs of Merced County residents, particularly those needs which are not addressed by other local, state, or federal agencies. This includes the dissemination of knowledge about Merced County history through the operation of the Courthouse Museum and the Milliken Museum in conjunction with the Merced County Historical Society.

DEPARTMENT COMMENTS

The Recreation Budget funds two full-time positions that provide organization and leadership to a variety of programs. The Recreation Division implemented a new basketball program that enrolled over 200 youth. As the County grows, so does the need to provide a variety of programs. Outside resources and organizations continue to assist in the success of many of the programs; without them, many of the programs would not exist. The Recreation Superintendent organizes programs that benefit the youth and disabled throughout Merced County, and the Museum Director offers cultural programs that are viewed by both local and out of county visitors. Volunteers continue to be major contributors to the success of all the programs.

BUDGET UNIT 71000

This budget unit was initially established to provide appropriation for the interest and administrative costs of securing Tax and Revenue Anticipation and other notes (TRANS). The County has not needed to issue a TRAN since the 1999/2000 fiscal year.

During the 2001/2002 fiscal year the County securitized its future receipts from cigarette manufacturers that it was to receive under a Master Settlement Agreement. The Merced County Tobacco Funding Corporation (Corporation), a non-profit public benefit corporation organized under California Law, was created for the sole purpose of handling the securitization. This budget unit now also provides appropriation for the Corporation's trustee administrative and auditing costs associated with that securitization.

BUDGET UNIT 71500

During FY 1998/99, the county entered into a contract with the State of California to borrow up to $15 million at an interest rate of 2.6 percent over a 20-year period. In turn, the County would make loans to dairies for environmental improvements to protect the water supply and for the dairies to comply with existing and new laws/regulations affecting them in terms of waste management. The loans are approved by a loan board, are issued at an interest rate of 5.1 percent, must be secured, and provide for a non-payment period during construction (maximum of 6 months). The 2.5 percent difference between the rates paid and received covers loan losses and administrative processing.

CONTINGENCIES – GENERAL FUND

BUDGET UNIT 72000

The Contingency Budget Unit accounts for unforeseen emergencies of uncertain amounts not covered by specific appropriations in the approved budget. This amount would also be available for temporary cash flow loans to alleviate problems that could hinder general operations from delayed receipt of reimbursements or revenue. The Contingency Fund serves to limit unforeseen liabilities of the General Fund including varying economic conditions.

EXECUTIVE'S COMMENT

The recession and the loss of millions in property tax revenue to the state made it virtually impossible for the County to budget a General Reserve or Contingency during the 1990's. The flooding experienced in the County during FY 1997/98 left both damage to be repaired and an increased awareness of the need for resources in emergency situations. This underscored the need to review the County's ability to provide resources in emergency situations and address unexpected issues that may occur in the near future as a result of significant population growth, the UC Campus, or other factors.

The Board has made significant efforts to establish a prudent Contingency to address unforeseen emergencies that may occur during the year. The Proposed Budget includes a Contingency of $3.5 million.

ADMINISTRATIVE SERVICES

BUDGET UNIT 75600

Under the County Ordinance 1671, the Information Systems Department was established for directing County efforts to use automated computer technologies to solve business problems. This budget unit was established as an Internal Service Fund in FY 1987/88.

EXECUTIVE'S COMMENTS

Information Systems' mission is to support the County's mission by providing leadership, strategic planning, and technical direction in the use of a vital County resource—information—and to provide a dependable, accessible, and usable information systems infrastructure whereby value to the Citizen and County employees is maximized. In support, Information Systems has a number of network, communications, and software related projects planned for the 2008/09 fiscal year.

Information Systems provides access to the Internet, office automation and mission critical County software applications, file sharing, and network printing. It serves all agencies at all locations within the County and functions as the central data communications provider. Information Systems is also the controlling agency for the State of California's 9-1-1 program for the County and local Public Answering Safety Point (PSAP) agencies, and is responsible for ensuring continuous updates to the state's Master Street Address Guide (MSAG) and internal county 9-1-1 Database.

Following industry trends, the convergence of the data and telephone networks to reduce costs, increase reliability and improve efficiencies will continue. To improve the reliability of the network, additions to the secondary/fail safe network loop will continue. To improve network performance and lower costs, the merging and relocation of many of the remaining leased communications lines to the Administration building will continue. Additionally, the consolidation of the separate phone and voice mail systems into a single integrated system to lower telephone costs, increase functionality, and increase interoperability will continue.

The County's Internet web site will continue to be revamped and reorganized to increase the Citizen's access to information and services. The number of e-government applications will continue to be expanded. The County's Intranet will also include more web-based software to replace or augment critical internal applications. Ad hoc reporting and drill down capabilities will be greatly improved.

REVENUE

This category is decreased overall based on adjusted rates being charged to countywide departments.

MEDICAL FACILITY LEASE OPERATIONS

BUDGET UNIT 75000

This budget unit is administered by the Auditor-Controller's Office. On January 1, 1997, daily operations of Merced Community Medical Center were transferred to Sutter Health through a comprehensive lease agreement. The lease agreement was for 20 years with four ten-year renewal options. The lease payments from Sutter Health to the County were $120,000 annually. The most significant benefits for the County under this lease were that Sutter Health assumed the County's liability for indigent health care services under Section 17000 of the Welfare and Institutions Code beyond the dollar amounts available from the County under the Health Realignment and State of California Extended Access Program, estimated to be $4 million each year. In June 2000, Sutter Health and Mercy Hospital/Catholic Healthcare West (CHW) requested approval from the County for Sutter to assign its responsibilities under the lease to Mercy/CHW. With Board approval, negotiations ensued among the parties with revised and restated lease agreements approved in November 2000. The California Attorney General subsequently reviewed and approved the transaction, and the transfer of operations from Sutter to Mercy/CHW occurred on April 1, 2001. Mercy/CHW continues to pay $120,000 in annual lease payments and extended its obligation to provide indigent health care services for 31 years, while the County is obligated to make available 19% of the total Health Realignment dollars received by the County each fiscal year to reimburse Mercy/CHW for those services with all costs in excess of those dollars being absorbed by Mercy/CHW. Mercy/CHW plans to build a new hospital in North Merced in approximately 2011, and the former Merced Community Medical Center (MCMC) will revert back to the County. Mercy/CHW will continue to provide outpatient and indigent health care services in South Merced at or near the MCMC site after construction of the new hospital.

SOLID WASTE DIVISION

BUDGET UNIT 75100

The Solid Waste Division operates under the Merced County Regional Waste Management Authority Second Amended and Restated Joint Powers Agreement. Solid Waste policies are set by the Solid Waste Governing Board. Board members include members of the Board of Supervisors and one City Council member from each city in the County. The Solid Waste Division is self-supporting with revenue coming from the operation of two landfill sites. The Resource Recovery Program is responsible for removing as much recoverable material from the solid waste flow as is economically possible, and for encouraging recycling and community clean-up programs to further reduce solid waste quantities. Major capital improvement projects at the landfill sites are tracked in Budget Unit 75400.

DIVISION'S COMMENTS

The Solid Waste Division is continuing its expansion of programs and facilities in order to meet the region's need for additional waste management capacity, and because of increased regulatory requirements. In addition to operating the various solid waste programs, the Division is currently involved in planning for closure of existing facilities, expansion and construction of new facilities, as well as the financing of these activities.
