SB 1244, Wieckowski. Public records: disclosure.

Re: Amends Section 6259 of the Government Code.

Status: Read second time and amended. Ordered to second reading.

The California Public Records Act requires a public agency, defined to mean a state or local agency, to make its public records available for public inspection and to make copies available upon request and payment of a fee, unless the public records are exempt from disclosure. The act makes specified records exempt from disclosure and provides that disclosure by a state or local agency of a public record that is otherwise exempt constitutes a waiver of the exemptions.

The act, when it appears to a superior court that certain public records are being improperly withheld from a member of the public, requires the court to order the officer or person charged with withholding the records to disclose the public record or show cause why he or she should not do so. The act requires the court to award court costs and reasonable attorney's fees to the plaintiff if the plaintiff prevails in litigation filed pursuant to these provisions, and requires the court to award court costs and reasonable attorney's fees to the public agency if the court finds that the plaintiff's case is clearly frivolous. This bill would replace "plaintiff" with "requester" in that provision, would make conforming changes, and would specify that these provision do not preclude the award of fees and costs pursuant to other provisions of law.

SB 1270, Vidak. County employees' retirement: system personnel.

Re: Amends Section 31522.3 of the Government Code.

Status: Approved by the Governor and Chaptered on July 16, 2018.

The County Employees Retirement Law of 1937 (CERL) authorizes counties to establish retirement systems pursuant to its provisions in order to provide pension benefits to their employees. CERL authorizes the retirement boards of 5 specified counties to appoint assistant administrators and chief investment officers who, following appointment, are outside county charter, civil service, and merit system rules, except as specified. CERL provides that these administrators and officers are employees of the county, as specified, while serving at the pleasure of the appointing boards, and that they may be dismissed without cause.

This bill would apply these provisions to any county if the board of supervisors for that county, by resolution adopted by majority vote, makes those provisions applicable in the county.

The bill would require each participating employer to pay an amount, determined by the board, for administrative and asset management costs of the prefunding plan to the fund and would grant the board the sole and exclusive control of the administration and investment of the fund. The bill would also set the terms under which a prefunding plan contract could be terminated or transferred.
