VI. CONTINUED PUBLIC HEARINGS

A. CONTINUED FROM MARCH 14, 2018: MINOR SUBDIVISION APPLICATION No. MS18-005 – Edward Ellington - A request to divide a 39 acre parcel into 3 parcels and a remainder parcel, to provide homesite parcels for multiple family members. The resulting parcel sizes will be: Parcel 1 = 1 acre, Parcel 2 = 1.66 acre, Parcel 3 = 1 acre and a 35.9 acre Remainder Parcel. The project site is located on the south side of West American Avenue, .25 mile west of North Golf Link Road, identified as Assessor's Parcel Number (APN) 045-160-060. The property is designated both Hilmar Urban Community - Low Density Residential and Neighborhood Commercial land use, and split-zoned R-1 (Single Family Residence) and C-1 (Neighborhood Commercial). CEQA: Project can be found exempt from CEQA under Section 15315 – "Minor Land Divisions". **TH**

RECOMMENDATION(S):

- 1) Open/close public hearing;
- 2) Determine the application can be found exempt from CEQA under Section 15315 – “Minor Land Divisions” of the CEQA Guidelines; and,
- 3) Approve Minor Subdivision Application No. 18-005 based on the findings included in the staff report and subject to the proposed conditions of approval.

Deputy Director Steve Maxey presented the Staff Report and recommendations of approval dated April 11, 2018.

The public hearing was still open from the March 14, 2018 Planning Commission hearing.

Duane Andrews, Golden Valley Engineering, feels the condition is extreme for the right-of-way of 46ft along Camden and 14ft along American Avenue. He had to revise their plot map to reflect those changes. He doesn't understand why Public Works is requiring the dedication along the entire frontage of Camden and then the remainder. The right of way will be dedicated when a subdivision map is requested. It is unfair to have the owners maintains the 46ft on Camden.

Steve Maxey, Deputy Director, explained that the Hilmar Community Plan considers improvements and extension of right of way to Camden and American. It is being requested by the Road Department since this is in the Hilmar Community Plan since it was adopted. The Community has been vocal about the development of Camden as an alleviation to traffic issues in Hilmar. Because of the need for long term planning of Roads, the County adopted an Ordinance, contained in Chapter 17, in our Subdivision Code that requires dedication of right of ways for any Minor Subdivision, where applicable. He spoke to the DPW/Roads Department and The County does have authority to require dedication along the remainder through the Subdivision Map Act, Subdivision, and Zoning Code. The recommendation is to approve the project as proposed.

Mr. Andrews asked why dedicate until the street is going to be developed. We are going to get deferments when that street does get developed. It will be a maintenance issue for the County. It will be dedicated at some point.

Deputy Director Steve Maxey said it is a requirement of the Subdivision Code that any subdivision shall dedicate. It would potentially cost the County time and money if it is not dedicated ahead of time.

Chairman Mobley said you need to have the dedication now.

The public hearing closed at 9:14 a.m.

MOTION: M/S ERRECA - ACHESON, AND CARRIED BY A VOTE OF 4 - 0, THE PLANNING COMMISSION DETERMINES THE APPLICATION CAN BE FOUND EXEMPT FROM CEQA UNDER SECTION 15315 – “MINOR LAND DIVISIONS” OF THE CEQA GUIDELINES.

MOTION: M/S ERRECA - ACHESON, AND CARRIED BY A VOTE OF 4 - 0, THE PLANNING COMMISSION CONCURS WITH THE STAFF REPORT AND RECOMMENDATIONS DATED APRIL 11, 2018, AND MAKES THE 10 PROJECT FINDINGS SET FORTH IN THE STAFF REPORT AND, APPROVES MINOR

SUBDIVISION APPLICATION No. MS18-005 SUBJECT TO THE 10 CONDITIONS SET FORTH IN THE STAFF REPORT AS FOLLOWS:

Conditions:

Merced County Community and Economic Development Department

1. A parcel map, including all parcels involved, shall be recorded within two (2) years of the approval date, as required by the Subdivision Map Act and Merced County Subdivision Code.
2. The applicant shall comply with all applicable County, State and Federal regulations.
3. The project shall comply with all standard conditions contained in Planning Commission Resolution No. 97-1.

Merced County Division of Environmental Health

4. If a dwelling is to be demolished, any associated septic tank shall be destroyed under permit from Merced County Division of Environmental Health (MCDEH) either concurrently or prior to demolition of the dwelling.
5. If a dwelling is to be connected to community sewer, all associated septic tanks shall be destroyed under permit from Merced County Division of Environmental Health (MCDEH). The permit shall be obtained prior to connection to community sewer and tank demolition shall be completed no later than 30 days after connection.

Merced County Roads Division

6. Applicant shall install paved residential driveway approaches, per Merced County Standards, along all the access points along American Avenue. An Encroachment Permit shall be obtained and paid for prior to starting any construction along the County right-of-way.
7. Per the Hilmar Community Plan, right-of-way dedication is required to fulfill the property owner's portion of an 98' ultimate right-of-way for Camden Drive, and a portion of a 68' ultimate right-of-way for American Avenue fronting the property:
 - a. American Avenue has an existing 40' right-of-way with 20' lying on the owner's side of the road centerline. Consequently, the owners shall dedicate an additional 14' right-of-way along the American Avenue frontage of the property.
 - b. Camden Drive has an existing 52' right-of-way with 22' lying on the owner's side of the road centerline. Consequently, the owners shall dedicate an additional 46' right-of-way along the whole Camden Drive frontage of the property.
8. The recorded parcel map shall identify the right-of-way dedication along American Avenue and Camden Drive as described in the Condition of Approval 7.
