Turlock Irrigation District

5. If Parcel 2 will continue to irrigate, an irrigation easement shall be provided across Parcel 1 for the benefit of Parcel 2, so that a separate pipe or ditch can be constructed to serve Parcel 2. Alternatively, District Standards require that properties that will no longer irrigate or have access to water must apply for abandonment for the parcels from the improvement district.

Department of Public Works-Roads

6. Right-of-Way dedication is required to fulfill the property owner's half of an 84 foot ultimate right-of-way on Bloss Avenue (per the Hilmar Community Plan):

Bloss Avenue has an existing 40 foot right-of-way, with 20 feet lying on the owner's side of the road centerline. The owners will need to dedicate an additional 22 foot right-of-way along the Bloss Avenue frontage of the property. However at this time, the dedication of only 10 feet right-of-way is required.

The Project site is subject to frontage improvements in accordance to the Merced County Improvement Standards and Specifications (curb and gutter, sidewalks) along Bloss Avenue. The applicant will need to enter into a Deferment of Construction Agreement to install the improvements at a later date:

The agreement will also include dedication of the remaining 12 foot right-of-way and a 10 foot public utility easement.
