## **BEHAVIORAL HEALTH AND RECOVERY SERVICES**

### **Adult System of Care Program (ASOC)**

---

**Hope, Recovery, Wellness**

## Adult System of Care Programs

- **Adult Outpatient Program** - Provides Specialty Mental Health Services promoting recovery in a holistic setting that combines therapy/counseling, supportive services and medication support.
- **Dual Diagnosis Program** - Provides intensive services to our consumers who suffer from both a mental health illness and a substance use disorder in a supportive setting.
- **Crisis Services** - Crisis evaluations and/or hospitalizations for up to 72 hours of observation due to danger to self or others or grave disability due to mental illness.
- **Urgent Care Program** - Provides urgent services to consumer who are being discharged from our Inpatient Unit to ensure continuity of services, and linkage to appropriate ongoing services.
- **Older Adult System of Care** - Collaborative work with Human Services Agency to provide supportive services to the older population.

## Adult System of Care Programs

- **Pre Trial Services Program** - Expansion of our Dual Diagnosis Program providing treatment for individual with mental health illnesses who are pending criminal proceeding for minor offences.
- **Jail Services Program** - Collaborative work with Merced County Sheriff to create a seamless reintegration system into community-based behavioral health services.
- **Adult Behavioral Health Court** - Collaborative program with the Courts, Probation, District Attorney, and Public Defender's office to provide treatment options to incarceration for offenders who suffer from a mental health illness.
