

Behavioral Health and Recovery Services (BHRS) offers mental health and substance use services. Services are available to children, teens, adults, and older adults. This will provide information on the services provided.

Interpreter services are free to consumers. Family, friends or children of consumers are not expected to interpret.

This brochure has information about hours and location for the BHRS clinics and services.

For more information, please review the Medi-Cal Beneficiary Handbook, provided online and/or at any clinic site.

Consumer Rights:

1. Confidentiality held.
2. Free from discrimination.
3. Right to their file.
4. Receive respect.
