COVID-19 DAILY STATUS REPORT

PLEASE NOTE: This is an evolving situation. More information will be distributed as it becomes available. For the most up to date information, please visit: www.cdc.gov/coronavirus. Additional information is available at www.countyofmerced.com/coronavirus.

CURRENT STATUS:

- As of Friday, March 13, 2020, there are no confirmed cases of COVID-19 (novel coronavirus) in Merced County.
- In California, there are 247 active cases, three deaths and two recoveries.

RECENT ACTIVITIES:

- Although there are no confirmed cases of COVID-19 in Merced County at this time, Merced County Public Health continues to coordinate with federal, state and local partners to further prepare us for any potential future impacts. This includes working with the California Department of Public Health and the Centers for Disease Control and Prevention to monitor COVID-19.
- In coordination with the Merced County Office of Emergency Services, daily situational status calls continued today with local government agencies, schools, and healthcare professionals in our community.
- The Merced County Office of Emergency Services and Merced County Department of Public Health proclaimed a local and public health emergency today (Friday) in order to help address the outbreak. The declaration of a local health emergency and proclamation of a local emergency will be considered for ratification by the Board of Supervisors during a special meeting next week.
- A special email group for Merced County COVID-19 updates was set up today (Friday) and is available on the right-hand side of the countyofmerced.com/coronavirus webpage. Anyone who wants to receive daily situational updates is encouraged to sign up.
- A video was recorded/edited today (Friday) featuring Dr. Ken Bird, Merced County's Health Officer, and will be made available on the County's social media pages, including YouTube. His message includes a status update and steps the public can take to protect themselves.
- The Merced County Office of Emergency Services held a "key position" meeting this morning (Friday). The Merced County Emergency Operations Center is activated at a Level 2 as of Friday, March 13, 2020.
- The Merced County Public Health Department Operations Center was opened Jan. 27, 2020 (47 days) in order to prepare for the potential of COVID-19 in and around our community.

COVID-19 SYMPTOMS AND PRECAUTIONS:

- Coronavirus symptoms include: mild to severe respiratory illness, fever, cough and difficulty breathing. If symptoms develop, individuals should stay at home to limit exposure to others.
- Persons who have recently traveled to China, Japan, South Korea, Iran, or Italy, or who have had contact with a person with possible COVID-19 infection and have the above symptoms should call their local health department or health care provider immediately.
- Do not go to your provider's office without calling ahead. Do not call 911 for suspected COVID-19 unless you are having a medical emergency.
- During the flu season, there are steps you can take to protect your health and the health of those around you:
 - Wash your hands regularly with soap and water for 20 seconds.
 - Avoid touching your eyes, nose, or mouth with unwashed hands.
 - Avoid close contact with people who are sick.
 - Stay away from work, school or other people if you become sick with respiratory symptoms such as fever and cough.
 - Cover sneezes or coughs with a tissue, then throw the tissue in the trash.
