COVID-19 DAILY STATUS REPORT

PLEASE NOTE: This is an evolving situation. More information will be distributed as it becomes available. For the most up to date information, please visit: www.cdc.gov/coronavirus. Additional information is available at www.countyofmerced.com/coronavirus. These status reports are released daily on normal business days. Statistics will continue to be updated on weekdays at www.countyofmerced.com/coronavirusstats.

CURRENT STATUS:

- As of 3:30 p.m. Friday, July 24, 2020, there are 3,245 confirmed cases (+122 from Thursday) of COVID-19 (novel coronavirus) in Merced County. Approximately 1,361 of those cases are active, and 27 have died.
- Please see "COVID-19 Testing Update" section for the most recent testing figures.

- View this interactive dashboard online at:** www.countyofmerced.com/coronavirusstats
- Based on information provided by individuals who test positive, Public Health staff will continue to assess risks of exposure and contact any affected individuals.
- Due to privacy laws, the Public Health Department cannot release identifying information related to positive cases.
- In California, there are 428,689 confirmed cases and 8,187 deaths.

RECENT ACTIVITIES & UPDATES:

- Merced County Public Health continues to coordinate with federal, state and local partners to further prepare us for future impacts. This includes working with the California Department of Public Health and the Centers for Disease Control and Prevention to monitor COVID-19.
- Recently, the City of Merced developed a voucher program that will distribute promotional codes to residents within the city limits that can be redeemed for a \$25 gift card at a qualified local small business of their choice. The purpose of this program is to spur local spending, while encouraging economic activity that supports small businesses directly with cash investment. If you would like to enroll your business:
 - Please visit www.MercedCares.com
 - Once you have been added to the platform, you will receive a notification from Giftbar regarding your account. Giftbar will provide information on how to log in and redeem cards as well as serve as a support for any questions or concerns you may have.
 - Giftbar will also promote and sell your gift cards on the giftbar.com website. They charge an 18% service fee for any new sales they drive to your business. This is separate from the work we are doing through www.MercedCares.com. To learn more, please visit the Giftbar website.
- Merced County has been placed on the State monitoring list due to rapidly increasing disease transmission, increased hospitalizations, and a rise in the percentage of individuals testing positive for COVID-19, indicating increased circulation throughout the community. Further details can be found at: <https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/COVID-19/CountyMonitoringDataStep2.aspx>
- In an effort to slow the spread of COVID-19 by preventing large group gatherings, the County’s regional parks (Lake Yosemite, Hagaman Park and Henderson Park) will be closed on Saturdays and Sundays until further notice. The parks will remain open on weekdays, but physical distancing must be adhered to and large group gatherings will continue to be prohibited.
- The Merced County Office of Emergency Services and Merced County Department of Public Health proclaimed a local and public health emergency March 13 in order to help address the outbreak. The Board of Supervisors ratified those actions during a March 16 special meeting.
- On March 19, Governor Gavin Newsom announced Executive Order N-33-20, asking California residents to stay at home. On March 20, Merced County’s Health Officer also issued an Order directing County residents to remain in their places of residence except to perform or receive essential services.
- The Merced County Public Health Department Operations Center was activated Jan. 27, 2020 (180 days) in order to prepare for COVID-19 in and around our community. The Merced County Emergency Operations Center and Human Services Agency Department Operations Center are also currently active.

COVID-19 TESTING UPDATE:

- As of July 24, a total of 22,932 tests have been performed in Merced County: 3,245 of those tests are confirmed as positive cases. These figures include testing through both the commercial and public health lab systems.

Verily – Los Banos	Los Banos Fairgrounds: 403 F St., Los Banos	www.projectbaseline.com/COVID19

- Within the public health system, every person who has met CDC criteria for severe disease within Merced County has been tested.
- Public Health is actively identifying other methods to enhance testing capability for providers throughout the community and increase testing county-wide. We will continue to be notified should positive tests come through either system (public health or commercial).

COVID-19 SYMPTOMS AND PRECAUTIONS:

- Coronavirus symptoms include: mild to severe respiratory illness, fever, cough, difficulty breathing, chills, repeated shaking with chills, muscle pain, headache, sore throat, and loss of taste or smell. If symptoms develop, individuals should stay at home to limit exposure to others.
- Anyone who has had contact with a person with possible COVID-19 infection and has the above symptoms should call his/her local health department/health care provider immediately.
- Do not go to your provider’s office without calling ahead. Do not call 911 for suspected COVID-19 unless you are having a medical emergency.
- During the flu season, there are steps you can take to protect your health and the health of those around you:
 - Wash your hands regularly with soap and water for 20 seconds.
 - Avoid touching your eyes, nose, or mouth with unwashed hands.
 - Avoid close contact with people who are sick.
 - Stay away from work, school or other people if you become sick with respiratory symptoms such as fever and cough.
 - Cover sneezes or coughs with a tissue, then throw the tissue in the trash.
 - Wear a face covering when in public.
