SUBJECT: **November 7, 2020 Election - Post Election Update**

Today the Elections Office again continued the canvass process of the Presidential General Election. Signature verification processes on Vote By Mail (VBM) envelopes received on Election Day, as well as VBM envelopes received timely since Election Day, continued today and have been completed on almost all VBM except on those that remain challenged due to a missing or unmatched signature. The opening and extraction of all verified VBM envelopes, and the tabulation of ballots also continued today. Unofficial Election Results were updated accordingly to reflect 6,584 ballots tabulated today. Our next count and a more detailed update will be on Monday, November 9th.

The reconciliation of electronic rosters will continue Monday and we will begin the processing of the Provisional/Conditional ballot envelopes. The 1% manual tally will also continue on Monday.

The unofficial Election Day result may be viewed at the [Merced Elections webpage](#) or from the [Merced County main webpage](#). The website totals currently reflect ballots voted at the polls and Vote By Mail (VBM) ballots processed through today. The canvass will continue until complete.
