Merced Subbasin GSA

Governing Board Meeting

April 8, 2021

Technical Advisory Committee

Technical Advisory Committee

- Restructure the Technical and Advisory Committees into a single Technical Advisory Committee (TAC) advising the Board with, third-party, stakeholder feedback.
- Committee to meet bi-monthly
 - Special off-month meetings as necessary
- Committee representation to include representatives identified by member agencies to represent broad and diverse geographic areas of the GSA
 - Additional members may be appointed
- Board to receive post-meeting reports from TAC representative, when possible
