COVID-19 DAILY STATUS REPORT

PLEASE NOTE: This is an evolving situation. More information will be distributed as it becomes available. For the most up to date information, please visit: www.cdc.gov/coronavirus. Additional information is available at www.countyofmerced.com/coronavirus. These status reports are released daily on normal business days. Statistics will continue to be updated on weekdays at www.countyofmerced.com/coronavirusstats.

CURRENT STATUS:

- As of 3:30 p.m. Thursday April 22, 2021, there are 31,358 confirmed cases (+37 from Wednesday) of COVID-19 (novel coronavirus) in Merced County. Approximately 373 of those cases are active, and 454 have died.
- Current Risk Tier: Red (Substantial).** Some non-essential indoor business operations are closed.
 - Tiers are determined by the California Department of Public Health based on test positivity and adjusted case rate. Counties can move into more or less restrictive tiers based on these factors. Weekly tiers are updated on Tuesdays. More information: www.covid19.ca.gov/safer-economy/

- Within the public health system, every person who has met CDC criteria for severe disease within Merced County has been tested.
- Public Health is actively identifying other methods to enhance testing capability for providers throughout the community and increase testing county-wide. We will continue to be notified should positive tests come through either system (public health or commercial).

COVID-19 SYMPTOMS AND PRECAUTIONS:

- Coronavirus symptoms include: mild to severe respiratory illness, fever, cough, difficulty breathing, chills, repeated shaking with chills, muscle pain, headache, sore throat, and loss of

taste or smell. If symptoms develop, individuals should stay at home to limit exposure to others.

- Anyone who has had contact with a person with possible COVID-19 infection and has the above symptoms should call his/her local health department/health care provider immediately.
- Do not go to your provider's office without calling ahead. Do not call 911 for suspected COVID-19 unless you are having a medical emergency.
- During the flu season, there are steps you can take to protect your health and the health of those around you:
 - Wash your hands regularly with soap and water for 20 seconds.
 - Avoid touching your eyes, nose, or mouth with unwashed hands.
 - Avoid close contact with people who are sick.
 - Stay away from work, school or other people if you become sick with respiratory symptoms such as fever and cough.
 - Cover sneezes or coughs with a tissue, then throw the tissue in the trash.
 - Wear a face covering when in public.
